(ii) EVMs & VVPATs may be taken out for training and awareness purpose whenever needed even before first randomization subject to an upper ceiling of 10% of the total number of PS in the District (ECI’s letter no. 51/8/T&A/2018-EMPS dt. 09.10.2018.)

(iii) This randomisation can be done in the EVM Management System (EMS).

(iv) The DEO to fix the schedule of first randomisation and inform the political parties to remain present.

(v) After random allocation of BU(s), CU and VVPAT for election (including reserve) for each constituency, random allocation for training and awareness is to be done.

(vi) After randomization, the CUs, BUs and VVPATs will be marked “Election” or “Training/Awareness” in the EMS.

(vii) Green colour sticker for EVMs and for election clearly written ‘Election’ on the sticker.

(viii) The list of such EVMs and VVPATs to be used for awareness purpose shall be given to Nationalized and State political parties and also to candidates. A sticker in bright Orange colour mentioning Voter Awareness shall be affixed on such EVMs and VVPATs. Those shall be stored securely and used by authorized officials deputed by DEO concerned. They must be trained comprehensively on functioning of EVMs and VVPATs, log books shall be maintained. (ECI no 51/8/7/2017-EMS dated 29.09.2017)

(ix) The status of 5% EVMs and VVPATs separated for awareness purpose shall be marked as “Training & Awareness” in place of FLC-OK in EMS (ECI No. 51/8/ETS/2017-EMS, dated 24.10.2017).

(x) After first randomization, separate lists of CUs, BUs and VVPATs allotted to each AC for use at polling stations as well as the training shall be prepared and signed by the DEOs representative and the R.O and such lists shall be handed over to all representatives of the recognized political parties.
(xi) Even if a representative is not available at the time of randomization, the list shall be sent to the party office and a receipt obtained.

(xii) After first randomization list of randomized CUs, BUs and VVPATs clearly indicating which CUs, BUs and VVPATs are to be used in which AC for polling and which CUs, BUs and VVPATs are to be used in which AC for training and awareness should be given to each recognized political party and a written acknowledgement obtained. A copy of this list should be given to all the candidates after the last date of withdrawal of candidatures. Randomization of EVMs and VVPATs shall be done by EMS only. (ECI No. 51/8/7/2017-EMS dated 30.08.2017)

(xiii) Care should be taken that in no case the EVMs found defective are included in this list.

3.6 **Storage of EVMs after FLC**

(i) After FLC and first randomization, the R.O of the constituency, shall take charge of the CUs/BUs/VVPATs randomly allotted to his constituency. The CUs/BUs/VVPATs meant for use at polling station shall be taken separately to the strong room of the RO under proper escort and will be guarded by suitable force round the clock. The training EVMs and VVPATs shall be distributed to the relevant officers for the training purpose.

(ii) At the time of sealing the strong room, the representatives of political parties can remain present and they can also affix their seal on the lock.

(iii) At strong room, a logbook shall be maintained and 24X365 Police security shall be provided with CCTV from start of FLC till Election Petition (EP) completion period. Minimum one Section of Armed State Police security shall be in place. (ECI No. 51/8/7/2017-EMS dated 30.8.2017)

(iv) Strong rooms should have only one entry point and double lock system. One key with RO and one key with ARO of the assembly constancy.

(v) CCTV coverage at entry point of strong rooms round the clock.

(vi) Fire extinguishers near and inside strong rooms.

3.6A **Second Randomisation**

(i) Second randomization of EVMs and VVPATs has to be done before preparing the EVMs and VVPATs for poll by candidate setting as the address tag of EVM is sealed at the time of preparation of EVM (Candidate Set). The purpose of second randomization of EVMs and VVPATs is to allocate EVMs and VVPATs randomly to polling stations.

(ii) The Returning Officer should fix the date of preparation of EVMs and VVPATs for poll (Candidate set) and intimate all candidates to remain present or send their representatives during the process. The date should be fixed as early as possible after the last date of withdrawal of candidatures and finalization of ballot papers.
(iii) On the date so fixed second randomization of EVMs and VVPATs also should be done in EMS before doing the process of preparation of EVMs and VVPATs for polls so that CUs, BUs and VVPATs should be randomly allocated to polling stations.

(iv) A list of CUs, BUs and VVPATs along with the number of polling stations assigned to them should be given to all the candidates. Similarly, a list of CUs, BUs and VVPATs kept in reserve should also be given to the candidates and written acknowledgement taken.

(v) Manufacturers shall provide protocol/checklist to RO beforehand and also depute Senior Level Engineers at the State and District levels for supervision and coordination during preparation of EVMs/VVPATs (ECI No 51/8/7/2017-EMS dated 30.8.2017).

(vi) RO shall open the strong room having EVMs and VVPATs (including reserve) meant for poll at the time of preparation of EVMs and VVPATs in the presence of candidates/their representatives under videography.

3.7 Preparation/Commissioning of EVM’s (ECI No. 51/8/7/2012-EMS dated 19.01.2012)

(i) Second Randomization of EVMs and VVPATs in EMS before preparation to allocate randomly to polling stations.

(ii) The Returning Officer shall draw a schedule for preparation of EVMs and VVPATs.

(iii) Preparation of EVMs and VVPATs should start as soon as possible after the last date of withdrawal of candidatures. Sufficient time should be provided for preparation of EVMs and VVPATs for each Assembly Constituency in the case of Assembly Elections and for each assembly segment in the case of Parliamentary Elections. As EVMs and VVPATs are to be prepared concurrently, sufficient time, 5/6 days will be required for each assembly segment. The schedule of commissioning to be planned accordingly. In case of Parliamentary Elections, preparation of EVM and VVPAT for assembly segment should be supervised by Assistant Returning Officers. The schedule should be made in such a manner that preparation of EVMs and VVPATs is done for all the assembly segments in separate halls and is completed at least 8 to 10 days before the poll.

(iv) Candidates should be informed in writing of the schedule for preparation of EVMs and VVPATs and should be requested to be present or send their representatives at the time of preparation of EVMs and VVPATs. On the day of the preparation of EVM, a register will be kept by the Returning Officer in which the signature of candidates or their representatives will be taken as token of their presence. These preparations have to be made in the presence of the candidates and/or their agents.

(v) EVMs allotted by DEO in first randomization only be used.
(vi) Prior intimation in writing to candidate/election agent at least one week before the date of such preparation.

(vii) Advance preparation of Register; address tags etc to save time.

(viii) Observer’s presence is must.

(ix) Candidates / their representatives be explained about procedure.

(x) For preparation of EVMs, take BU first.

(xi) Ballot paper before it is fixed on BU, shall be signed on its back by RO (by hand or through rubber stamp)

(xii) Ensure proper alignment of ballot paper with panels of corresponding candidate in BU.

(xiii) Candidates / their agents be allowed to put their seals on address tags along-with the seal of RO.

(xiv) Don’t use “secret seal” of ECI at this stage - RO shall use his own seal. Secret seal should be used only to seal EVMs and election papers after counting of votes.

(xv) Use new battery in CU during RO sealing.

(xvi) Set the number of contesting candidates along with NOTA in CU.

(xvii) Sealing the candidate set section of the Control Unit.

(xviii) Candidates / their agents be allowed to put their seals on address tags along-with the seal of RO.

(xix) Install the new battery in the VVPAT.

(xx) Install a fresh paper roll in the VVPAT.

(xxi) Loading of serial number, name of candidate and symbols including NOTA in the VVPAT by the BEL/ECIL engineers.

(xxii) Check the test print out with the ballot paper in BU.

(xxiii) Check the VVPAT by casting one vote to each candidate to ensure printing of paper slips accurately.

(xxiv) Seal the VVPAT as per ECI’s direction. (ECI No. 3/1/2013/VVPAT/SDR dated 15.10.13 and ECI No. 51/8/VVPAT/2017-EMS dated 05.12.2017)

### 3.8 Preparation of EVM and VVPAT by RO/ARO

(i) Preparation shall be carried out in a large hall which can accommodate all EVMs and VVPATs to be prepared and all personnel concerned.

(ii) Entry to this hall shall be on production of Identity Card issued by the DEO.
(iii) The hall should be sanitised – free from all electronic device (except devices carried by the engineers of BEL/ECIL).

(iv) Only one entry provided with metal detector door frame and guarded by the police force.

(v) The Returning officer should fix the date of preparation of EVMs and VVPATs for poll (Candidate set) one week before poll and intimate all candidates to remain present or send their representatives during the process.

(vi) On this day second randomization should be done before doing the process of preparation of EVMs and VVPATs for polls and CUs, VVPATs and BUs should be randomly allocated to polling stations.

(vii) After second randomization Polling Station number should be marked in the EVM Management System, against those BUs, VVPATs and CUs which have been assigned to polling stations.

(viii) Those BUs, VVPATs and CUs which have not been assigned to polling stations but are meant to be used in elections should be marked “Reserve” in the EVM Management System.

(ix) List of such EVMs and VVPATs assigned to each polling station including reserve to be given to each candidate.

(x) In case more than one BU is needed, the additional BUs should also be allocated to each polling station randomly.

(xi) In case the additional BUs are being arranged by CEO, these BUs should also be allocated randomly on arrival.

(xii) BU shall be examined by BEL/ECIL engineers who will certify as in Annexure-3 (dated 19.01.2012).

(xiii) If any BU is found defective, it will be kept aside and will not be repaired as repairing is strictly prohibited in the field.

(xiv) During commissioning of EVMs and VVPATs in 100% VVPATs one vote to each candidate shall be given to check that the VVPAT is printing the paper slips accurately. All such VVPAT paper slips should be stamped on their back side with rubber stamp having inscription “TESTING VVPAT SLIP-VVPAT Commissioning”, thereafter these slips shall be kept in thick Red coloured envelops and sealed with the seal of the RO.

Mock poll of 1000 votes would be cast in 5% of randomly selected EVMs and VVPATs. Mock poll slips should be stamps on their backside with rubber stamp having inscription “MOCK POLL SLIP-EVM Commissioning”, these mock poll VVPAT with paper slips shall be kept in thick green coloured envelops and sealed with the seal of the RO. (ECI’s letter No. 51/8/VVPAT/2018-EMS dt. 08.11.2018).
(xv) Representatives of candidates shall be allowed to do the mock poll themselves.

(xvi) Signature of representatives of candidates shall be taken in a register in Ann.4 (Letter dated 19.01.2012).

(xvii) Ensure that the pink paper seal fixed on the CU at the time of FLC is not damaged in any manner in this process.

(xviii) Representatives of candidates shall be allowed to pick machines randomly for this purpose and also to participate in the process.

(xix) Signatures of representatives of candidates shall be taken in a register in Ann.5 (Letter dated 19.01.2012) as a token of having seen the print out and confirm that there is no discrepancy between the votes polled during the mock poll and results in the print out. (ECI No. 51/8/VVPAT/2018-EMS dated 08.03.2018)

(xx) Sealing of BU with thread and address tags should be done as per procedure.

(xxi) In addition, the BU shall be sealed with a special “pink paper seal” in the presence of candidates or their representatives.

(xxii) After affixing the pink paper seal, BEL/ECIL engineer shall put his signature on the pink paper seal. Candidates or their representatives shall also be allowed to put their signatures on this seal with name of the candidate, party.

(xxiii) A register in Ann.6 (Letter dt. 19.01.2012) shall be maintained to note down the serial no. of the pink paper seal used on the Balloting Unit by clearly mentioning unique ID of the BU and pink paper seal no.

(xxiv) Signatures of candidates and their representatives will also be obtained on this register.

(xxv) Photocopies of this register will be given free of cost to all candidates once preparation is over.

(xxvi) Preparation shall be supervised either personally by the RO or one of the AROs under videography.

3.9 Safe custody of prepared EVMs and VVPATs

(i) After preparation of EVMs and VVPATs at RO level, the EVMs and VVPATs to be used at PSs and kept as reserve shall be kept again in strong rooms in the presence of candidates/ representatives under videography. Strong room should be sealed with ROs seal and candidates/ representative should be asked to put their seal. Strong rooms shall be with double lock system.

(ii) Strong rooms should be kept fully guarded at all times under the charge of senior police officer not below the rank of Deputy Superintendent of Police. Wherever possible, the Central Police Forces should be used for such guard duty. (ECI No. 51/8/7/2017-EMS dated 30.08.2017)
(iii) CCTV coverage at entry point of strong rooms.
(iv) Fire extinguishers near and inside strong room.
(v) Log book should be maintained regarding opening/sealing etc.,
(vi) Opening of strong room (whenever necessary) - Prior intimation to candidates is must.
(vii) On the day of dispersal of polling parties RO shall open the strong room having EVMs and VVPATs (including reserve) in the presence of candidates / representatives under videography.
(viii) Maintain complete record of all CUs, BUs and VVPATs used at the election. That record should show clearly the number of CUs, BUs and VVPATs used at each polling station along with the serial numbers of each such unit. The record should also show the number of CUs, BUs and VVPATs along with their serial numbers, which have been prepared for use and kept in reserve. If any of such Control Units or Balloting Units or VVPAT is put to use, a complete record as to where each such unit was used should be properly maintained and it should show also the reasons for which the use of such reserve unit became necessary.

3.10 Receipt of EVMs and VVPATs etc by Polling Parties at the time of dispersal

(i) RO should keep a separate register showing the number and the name of the polling stations, the name of the Presiding Officer and serial nos. of CU/BU(s)/VVPAT supplied to him and his full signature in token of having receipt the same.

(ii) That register should have further provision for keeping proper account of the machines received back from the Presiding Officers. The officer who receives the machines back after the poll from the Presiding Officer should clearly note down the serial numbers of the Control Unit, Balloting Unit(s) and VVPAT so received back and should append his full signature in token of having received those units back.

(iii) If any machine is received back in a damaged condition, full record of each such machine should be maintained.

(iv) The reserve machines should be kept at a central place or places in the constituency on the day of poll so that the same may be supplied with the least possible delay to any polling station where an emergent need arises for replacement of any Control Unit or Balloting Unit(s) or VVPAT. These machines should be kept under the charge of one of the Assistant Returning Officers or some other senior officer specifically nominated for the purpose by Returning Officer.

(v) These reserve machines or machines used for training should not be moved from their place of storage after conclusion of poll as it may give unnecessary doubts in minds of some persons as if polled EVMs or VVPATs are being shifted.
(vi) Pro to check the serial numbers & Address tags on CU, VVPAT & BU(s) & on their carrying cases.

(vii) Check the seals put by RO on the ‘Candidate Set section’ on CU and at the right top and bottom latch covers of BU and affixed Pink Paper Seal on CU & BU.

(viii) Polling party should never open the seals put by Returning Officer on CU and BU.

(ix) Switch on the CU and press ‘Total’ button to verify that the CU is set for correct number of candidates.

(x) Check that the ballot paper is properly fixed.

(xi) Check that the required candidate Buttons are unmasked (blue) and the other Buttons are masked (white).

(xii) Check that the slide switch (or thumb wheels switch in M3 EVM) on BU is correctly adjusted.

(xiii) Seals of Balloting Unit should not be opened by polling party at any time.

(xiv) Switch off the CU and pack it in carrying case before taking it away to polling station.

(xv) A list of various items of polling materials which will be required for use at the polling stations where EVM and VVPATs are used is given in Annexure 8 of RO Handbook 2019.

(xvi) Under Rule 49L (1) of the Conduct of Elections Rules, 1961, there shall be a Register of Voters at every polling station. Each polling party will be supplied one or more of such Registers depending upon the number of voters assigned to the polling station.

(xvii) The polling parties shall strictly be instructed not to test VVPAT at the time of dispersal and before mock poll at polling station under any circumstance, as VVPATs issued to them are already checked & tested.

3.11 On Poll day

3.11.1 Tracking of Mock Poll

(i) The RO/ARO through the Sector Officers and using the communication link with the polling station/mobile teams, shall track the conduct or otherwise of mock poll, and ascertain the mock poll status.

(ii) Non-confirmation of mock poll could be indicative of non-commencement of poll and in that case the RO/ARO shall make immediate intervention to sort out the problem.
3.11.2 Conduct of Mock Poll

(i) Mock poll shall be conducted normally one hour before the scheduled hour of commencement of poll.

(ii) All contesting candidates should be informed in writing well in advance in this regard.

(iii) Polling agents of at least two candidates should be present at the time of Mock Poll. However, if polling agents of at least two candidates are not present, the Presiding Officer may wait for 15 more minutes.

(iv) If the agents still do not come, then the Presiding Officer may start the mock poll.

(v) Remove the Balloting Unit, VVPAT Unit & Control Unit from their carrying cases.

(vi) For mock poll, the BU(s) and VVPAT should be placed in the voting compartment and CU and VSDU (there is no VSDU in M3 VVPAT) on the table of Officer who will operate the CU. VVPAT should be placed to the left side of the 1st Balloting Unit.

(vii) Connect the Balloting Unit/first Balloting Unit to the VVPAT Unit. Connect VVPAT and VSDU (available in M2 VVPAT) to the Control Unit.

(viii) Open back cover of CU and Switch “ON” power.

(ix) Open “Result” section outer door and inner door of CU.

(x) Press Clear button of CU to show to the agents present that there are no votes polled.

(xi) The mock poll should be conducted with the polling agents voting at random for each of the contesting candidates. At least 3 votes shall be polled in favour of a candidate. A total of at least 50 votes should be polled in the mock poll.

(xii) One polling officer should be present in the voting compartment along with the polling agents to watch operations on the Balloting Unit(s) and the printed ballot slips by the VVPAT unit. This polling officer will keep a record of the votes cast.

(xiii) Presiding Officer will ascertain the result by pressing the result button in the Control Unit in the presence of the Polling agents. Count the VVPAT paper slips by taking out by VVPAT paper slips from the drop box in the presence of polling agents and confirm that the result of CU and VVPAT paper slip count tally for each candidate.

(xiv) Thereafter, all mock poll data in CU must be cleared by pressing ‘clear’ button on CU and the empty drop box must be verified by the polling agents.
(xv) The mock poll VVPAT paper slips, should be stamped on their back side with rubber stamp having inscription “MOCK POLL SLIP”, thereafter these mock poll VVPAT paper slips shall be kept in an envelope made of thick black paper and scaled with the seal of the Presiding Officer.

(xvi) The Presiding Officer and polling agents must put their signatures on the envelope. The number and name of the polling station, number and name of Assembly Constituency, date of poll and the words “VVPAT paper slips of Mock Poll “ shall be written on the envelope. This envelope must be kept in the special plastic box for mock poll and scaled with a pink paper seal placed all around in such a manner that opening or the box will require breaking of the seal.

(xvii) The number and name of the polling station, number and name of Assembly Constituency and the date of poll shall be written on the plastic box.

(xviii) The Presiding Officer and Polling Agents must put their signatures on the pink paper seal and keep the box along with other documents relating to elections.

(xix) Thereafter, Presiding Officer will sign the Mock Poll Certificate and seal the CU and VVPAT.

(xx) The Presiding Officers shall mention the names of the Polling agents and the candidates (and their party affiliations), whom they represent and also obtain their signatures on the completion of mock poll on the certificate. (ECI No. 51/8/VVPAT/2017-EMS dated 16.10.2017 and 11.01.2018)

(xxi) One copy of certificate will be collected by SO immediately after conducting Mock Poll.

(xxii) Micro-observer should also participate in mock poll process and sign the mock poll certificate.

(xxiii) These proceedings should be videographed wherever videography arrangement has been made at a polling station.

(xxiv) Seal the CU as per the prescribed method using green paper seal, outer paper strip seal. Also seal the drop box of the VVPAT.

(xxv) Polling Officer in charge of CU, shall ask the voters if they notice any malfunctioning of BU, they should bring it to notice of him/Presiding Officer. The Presiding Officer thereupon check and verify the genuineness of such complaint in presence of poling agents and the complainant. EVM will be replaced if found malfunctioning. These instructions will be brought in notice of polling agents during mock poll or whenever they report at PS. Advertisement in this regard in newspaper on poll day and displaying of poster at PS also.
(xxvi) “Test-vote” during poll process- Circumstances and procedure as per ECIs number 51/8/7/2015-EMS dt.04.02.2015.
