### **VIII. Guidelines on Election Manifesto**

1. The Supreme Court in its judgment dated 5th July 2013 in SLP(C) No. 21455 of 2008 (S. Subramanian Balaji Vs Govt. of Tamil Nadu and others) has directed the Election Commission to frame guidelines with regard to the contents of election manifesto in consultation with all the recognized political parties. The guiding

principles which will lead to framing of such guidelines are quoted below from judgment:-

- (i) “Although, the law is obvious that the promises in the election manifesto cannot be construed as ‘corrupt practice’ under Section 123 of RP Act, the reality cannot be ruled out that distribution of freebies on any kind, undoubtedly, influences all people. It shakes the root of free and fair elections to a large degree”.
- (ii) “The Election Commission, in order to ensure level playing field between the contesting parties and candidates in elections and also in order to see that the party of the election process does not get vitiated, as in past been issuing instructions under the Model Code of Conduct. The fountainhead of the powers under which the Commission issues these orders is Article 324 of the Constitution which mandates the Commission to hold free and fair elections.”
- (iii) “We are mindful of the fact that generally political parties release their election manifesto before the announcement of election date, in that scenario, strictly speaking, the Election Commission will not have the authority to regulate any act which is done before the announcement of the date. Nevertheless, an exception can be made in this regard as the purpose of election manifesto is directly associated with the election process”.

1. Upon receiving the above direction of the Hon’ble Supreme Court, the Election Commission held a meeting with the recognized National and State Political Parties for consultation with them in the matter and took note of their conflicting views in the matter.

During consultations, while upon some political parties supported the issuance of such guidelines, others were of the view that it is their right and duty towards voters to make such offers and promises in manifesto in a healthy democratic polity. While the Commission agrees in principle with the point of view that framing of manifestos is the right of the political parties, it cannot overlook the undesirable impact of some of

the promises and offers on the conduct of free and fair elections and maintaining level playing field for all political parties and candidates.

2. The Constitution under Article 324 mandates the Election Commission, to conduct elections inter alia to the Parliament and the State Legislatures. Having due regard to the above direction of the Supreme Court and after consultation with the Political Parties, the Commission, in the interest of free and fair elections, hereby directs that Political parties and candidates while releasing election manifesto for any election to the Parliament or State Legislatures, shall adhere to the guidelines :-

- (i) The election manifesto shall not contain anything repugnant to the ideals and principles enshrined in the Constitution and further that it shall be consistent with the letter and spirit of other provisions of Model Code of Conduct.
- (ii) The Directive Principles of State Policy enshrined in the Constitution enjoin upon the State to frame various welfare measures for the citizens and therefore there can be no objection to the promise of such welfare in election manifesto. However, political parties should avoid making those promises which are likely to vitiate the purity of the election process or exert undue influence on the voters in exercising their franchise.
- (iii) In the interest of transparency, level playing field and credibility of promises, it is expected that manifesto also reflect the rationale for the promises and broadly indicate the ways and means to meet the financial requirement for it. Trust of voters should be sought only on those promises which are possible to be fulfilled.

## **B. ENFORCEMENT OF MODEL CODE OF CONDUCT**

### **INSTRUCTION SI. No. 1**

Election Commission's letter No.437/6/98-PLN-II dated 15.09.1998 addressed to Chief Secretary to the Government of 1. Madhya Pradesh, Bhopal, 2. Rajasthan, Jaipur, 3. Mizoram, Aizawl, 4. NCT of Delhi and Copy endorsed to CEOs of 1. Madhya Pradesh, Bhopal, 2. Rajasthan, Jaipur, 3. Mizoram, Aizawl, 4. NCT of Delhi.

#### **Subject: Preparations for election for electing new State Assemblies.**

The tenure of the assembly in the State is expiring in December 1998; and elections have to be held shortly. As you know, the Commission and the State Electoral Officers are actively focusing on the arrangements, and meetings are being continuously held at Delhi and at your State Headquarters, to finalise all arrangements. The Election Commission of India, and the entire State election machinery are, therefore, in active election mode.

The Election Commission of India and all political parties, desire a level playing field, in order to ensure fair and free elections. The commission is expected very shortly, to announce the detailed schedule for elections. Therefore, the Commission expects, and strongly urges, that the State Governments, at this juncture, with a very short period left for the formal start of the election process, will refrain from taking any major financial and other initiatives, which can be widely perceived as distorting the level playing field for all parties, particularly the opposition. The Commission is confident, that in the 4 years and nine months of its tenure, the State government has taken all beneficial developmental steps, which it wished to, undertake. Any major announcements of this nature now, with only a couple of months left at best, are bound to be misconstrued, and not expected of any political party, in India's 5 decade old mature democracy.

The Commission would also advise against the creation of any new administrative units or major 'academic institutions etc. In general the Commission expects that nothing will be done by the incumbent ruling political party, which can be seen as simply largesse for undesirable exertion of influence on voters.

The Commission further directs that as the Head of the Services in the State, you will take due care and caution, to ensure, that the entire administrative apparatus in the State, not only remains neutral, but is visibly seen to be so, by the general public and all political parties.

D.O. No. PS/JS(RC)/04-216

### **SUBJECT: - Model Code of Conduct and continuation of programme activities under PMGSY**

Please refer to the Ministry's D.O. letter No. 17015/1/2004-GC dated 13<sup>th</sup> February, 2004 addressed to you. As you are aware the Pradhan Mantri Gram Sadak Yojana (PMGSY) is a Centrally Sponsored Scheme for providing rural connectivity. Copy of the PMGSY Guidelines is enclosed herewith. The main features include the following:

- The proposals for the road works are cleared by the State Level Standing Committee headed by the Chief Secretary. Detailed Project Reports (DPRs) are checked by independent State Technical Agencies such as IITs, RECs etc.

- Proposals of the State are considered by the Inter-Ministerial Empowered Committee chaired by Secretary, Ministry of Rural Development and Adviser (Transport), Planning Commission, representative of Ministry of Road Transport & Highways and Director, CRRI, etc. are members of the Committee.
  - After clearance, the works are put to open tender by the State Government according to the Standard Bidding Document for PMGSY and works are to be completed within a period of 9 months.
2. The stages of execution commencing with the clearance by the Ministry to the Annual Proposals comprises:
- Issue of Notices Inviting Tenders, specifying date and time of closing of receipts f bids and opening of tenders as per Standard Bidding Document provisions
  - Finalisation on the basis of lowest qualifying bid and award of work
  - Issue of Work Orders after Contract agreement.
  - Re-tendering in case of inadequate response

Decisions for the purpose are taken at the level of the Programme Implementation Unit (PIU) or the Executing Agency/Department as per pattern of the State.

3. Some State Governments have queried whether the PMGSY Scheme will be affected by the Model Code of Conduct to be brought into force by the Election commission of India. In this connection, it may be pointed out that the process of election of the road works qualifying under the PMGSY criteria and preparation of DPRs is a well regulated and time consuming process and proposals coming to the Empowered Committee are accordingly those which have been put through a systematic procedure starting many months earlier. The Empowered Committee is an official inter-Ministerial Committee. The PMGSY is a regular Centrally Sponsored Programme and the works have to be tendered and awarded in such a way that the earth work and Water bound Macadam (WBM) needs to be completed before the end of the monsoon for proper results. As an abundant precaution, the State Governments have been advised not to refer any matters relating to tendering and award of works for decision of the political executive, elected representative (if that was the practice) during the period of the Model Code of Conduct.

Accordingly, the Election Commission may kindly confirm that execution of annual PMGSY proposals of States cleared before coming into force of the Model Code of Conduct may be continued as per the PMGSY Guidelines (subject to such conditions that the Election Commission of India may like to lay down) so that the earth work and WBM is completed before the end of the monsoon. Needless to add, there will be no inaugurations, announcements, laying of foundation stones etc. by public figures/individuals during the period that the Model Code of Conduct is in force.

With regards,

Yours sincerely,

Sd./-

## **INSTRUCTION Sl. No. 5**

Election Commission's letter No. 464/INST/2007-PLN-I Dated: 07.01.07 addressed to The Chief Secretaries and the Chief Electoral Officers of all States and Union Territories.

### **Subject: CODE OF CONDUCT – DOs & 'DONT's**

The Commission has issued various instructions on observance of code of conduct from time to time. Important aspects of the code of conduct are reiterated below:

#### **On Welfare schemes and governmental works:**

1. Announcement of new projects or programme or concessions or financial grants in any form or promises thereof or laying of foundation stones, etc., which have the effect of influencing the voters in favour of the party in power is prohibited.
2. These restrictions apply equally to new schemes and also ongoing schemes. But it does not mean that in the case of national, regional and State utility schemes, which have already been brought up to the stage of completion, their utilization or functioning in public interest should be stopped or delayed. The coming into force of the Model Code of Conduct cannot be given as an excuse for not commissioning such schemes or allowing them to remain idle. At the same time, it should be ensured that the commissioning of such schemes is done by civil authority and without associating political functionaries and without any fanfare or ceremonies whatever, so that no impression is given or created that such commissioning has been done with a view to influencing the electorate in favour of the ruling party. If in doubt, a clarification should be obtained from Chief Electoral Officer/Election Commission of India.
3. It is further clarified that simply because a budget provision has been made for any particular scheme or the scheme has been sanctioned earlier or a reference to the scheme was made in the address of the Governor or the budget speech of the Minister it does not automatically mean that such schemes can be announced or inaugurated or otherwise taken up after the announcement of elections while the Model Code of conduct is in operation, since they will clearly be intended to influence the voters. Such actions if undertaken will be considered a violation of the model code of conduct.
4. No fresh sanctions for governmental schemes should be made. Review by political executive (Ministers etc.) and processing of beneficiary oriented schemes, even if ongoing, should be stopped till completion of elections. No

fresh release of funds on welfare schemes and works should be made or contract for works awarded in any part of the state where election is in progress without prior permission of the Commission. This includes works under the Member of Parliament (including Rajya Sabha members) Local Area Development fund or MLAs / MLCs Local Area Development Fund, if any such scheme is in operation in the state.

5. No work shall start in respect of which even if work orders have been issued before the model code came into effect, if the work has actually not started in the field. These works can start only after the completion of election process. However, if a work has actually started, that can continue.
6. There shall be no bar to the release of payments for completed work(s) subject to the full satisfaction of the concerned officials.
7. Commission does not refuse approval for schemes undertaken for tackling emergencies or unforeseen calamities like providing relief to people suffering from drought, floods, pestilences, other natural calamities or welfare measures for the aged, infirm etc. In these matters, however, prior approval of the Commission should be taken and all ostentatious functions should be strictly avoided and no impression should be given or allowed to be created that such welfare measures or relief and rehabilitation works are being undertaken by the Government in office so as to influence the electors in favour of the party in power which at the same time will adversely affect the prospects of the other parties.

**On Transfers and posting of officials:**

The Commission directs that there shall be a total ban on the transfer of all officers/officials connected with the conduct of the election. These include but are not restricted to: -

During such tour, the Chief Secretary may provide the Minister with Government vehicle and accommodation and other usual courtesies for his official trip. However, immediately preceding or during or in

continuation of such an official tour, no minister can carry out or combine any election campaign or political activity. The Commission will keep watch on such arrangements in due consultation with its Chief Electoral Officer.

3. No Minister, whether of union or state, will summon any election related officer of the constituency or the State, for any official discussions during the period of elections commencing with the announcement of the elections. Only exception will be when a Minister, in his capacity as in charge of the department concerned, or a Chief Minister undertakes an official visit to a constituency, in connection with failure of law and order or a natural calamity or any such emergency which requires personal presence of such Ministers/Chief Ministers for the specific purpose of supervising review/salvage/relief and such like purpose.

4. Ministers are entitled to use their official vehicles only for commuting from their official residence to their office for official work provided that such commuting is not combined with any electioneering or any political activity.

5. Ministers, whether of the Union or State, shall not combine in any manner their official tours with election work.

6. Whether on a private or official visit, no pilot car(s) or car(s) with beacon lights of any colour or car(s) affixed with sirens of any kind shall be used by any political functionary, even if the State administration has granted him a security cover requiring presence of armed guards to accompany him on such visit. This is applicable whether the vehicle is government owned or private owned.

7. Any official who meets the Minister on his private visit to the constituency where elections are being held shall be guilty of misconduct under the relevant service rules; and if he happens to be an official mentioned in Section 129 (1) of the Representation of People Act, 1951, he shall also be additionally considered to have violated the statutory provisions of that Section and liable to penal action provided there-under.

**Subject: General Election to Lok Sabha 2009-Application of model code of conduct-clarification regarding.**

It has been noticed that there is growing trend of Chief Electoral Officers simply passing on to the Commission whatever references they received from various departments in their States for clarification on the application of Model Code of Conduct without examining the same in the light of various standard instructions/guidelines of the Commission already available in the Commission's website.

As a result innumerable references are pouring in, creating a situation whereby the officers and staff of Election Commission of India are fully engaged in dealing with such references without practically having no time to handle other important issues of the conduct of elections, making the Commission practically involved in day to day business of the State Government's departments of even the smallest taluka (unit) of the district administration.

The Commission, after careful consideration of the above growing tendency on the part of Chief Electoral Officers of simply passing on the references to the Commission for directions without application of mind and without examining the cases with all available instructions of the Commissions, has directed that "henceforth Chief Electoral Officers should not send any references to the Commission in cases where there are clear-cut instructions of the Commission to deal with such cases. The Chief Electoral Officers should send to the Commission only such references where there is doubt and the issues not covered by the existing instructions of the Commission **along with their specific views and recommendations.**

Kindly acknowledge receipt and ensure compliance.

**Subject: Display the photographs/calendars, etc of national leaders and prominent personalities in the government offices/premises-clarification reg.**

I am directed to invite a reference to the Commission letter of even number dated 28th March, 2009, on the above subject, and to state that the underlying intention of the Commission's instruction was that the photographs and images of the political functionaries, who deep influence on the minds of electors and many of whom are still active in public life and may even be contesting the current general elections, should not be displayed in the government buildings and premises as that would have the effect of disturbing the level playing field vis-à-vis the political functionaries of other parties and candidates.

In view of the inputs received, the Commission had issued the above instructions. In the meanwhile, certain doubts have been raised and clarification has been sought about the removal of the image of some national leaders, poets and prominent historical personalities of the past. In this regard, the Commission would like to state that the abovementioned underlying purpose of the instruction needs to be fully appreciated while being acted upon. It is clarified that while the photographs of Prime Minister, Chief Ministers, Ministers and other political functionaries should not be displayed, this instruction, however, is not applicable with regard to the images of national leaders, poets, and prominent historical personalities of the past, and the President of India and the Governors. It is further clarified that in case of any doubt in this regard regarding removal of any photograph or images, the issue may be referred to the Chief Electoral Officer of the State/Union Territory concerned before taking action in the matter.

Commission has decided that there is no objection to Central Ministers/Chief Ministers/Ministers in the States to do the honours in the main Republic Day functions at various locations subject to the condition that in their speeches, they should confine themselves to extolling the achievements of the Martyrs in securing freedom of the country, glory of the Indian State and so on. Under no circumstances, they should become a platform for political campaign.

In view of the fact that Republic Day celebrations will come during the election process and that the Central Ministers, Chief Ministers and Ministers in the States belong to political parties and alliances and may even be the candidates, the Commission, purely in the interest of ensuring a level playing field, directs that no Central Minister/Chief Minister/Minister or any other political functionary in the States/Ex-MPs shall do the honours at any Republic Day functions at any location of within their home district or constituency or from where he or she is a contesting candidate or intends to contest.

The Commission, however, has no objection to organisation of Kavi Sammelaan, Mushairas or other cultural functions organised in connection with the Republic Day celebrations and being attended by the Central Ministers, Chief Ministers, Ministers in the States and other political functionaries. However, utmost care should be taken to ensure that no political speeches are made on the occasion.

The Commission has further decided that investiture ceremonies at the National and State level and distribution of Tamra Patras to freedom fighters, etc. will be done according to the existing conventions.

The above instructions may be brought to the notice of all concerned for strict compliance.

5. Whereas, The Hon'ble Supreme Court of India by its further order dated 13<sup>th</sup> April. 2004, in SLP (Civil) No. 6679/2004 has directed as follows:

“--- Before we pass the order, it will be worthwhile to notice certain provisions of the Cable Television Networks (Regulation) Act, 1995 [for short, "the Act"], as amended from time to time, and the Rules framed there under. The object of the Act is to regulate the operation of the cable television network in the country. Section 6 of the Act provides that no person shall transmit or retransmit through a cable service any advertisement unless such advertisement is in conformity with the prescribed advertisement code. Section 11 of the Act provides that if any authorized officer has reason to believe that the provisions of the Act have been or are being contravened by any cable operator, he may seize the equipment being used by such cable operator for operating the cable television network. Section 12 of the Act provides for confiscation of the equipment in the event of any violation of the provisions of the Act. Similarly, Section 13 of the Act also provides for seizure or confiscation of the equipment and punishment. Section 16 further provides for punishment for contravention of the provisions of the Act. Section 19 lays down that an authorized officer, if he thinks necessary or expedient so to do in the public interest, may, by order, prohibit any cable operator from transmitting or re-transmitting any advertisement which is not in conformity with the prescribed programme code and advertisement code and it is likely to promote enmity on grounds of religion, race, language, caste or community or any other grounds whatsoever, disharmony or feelings of enmity, hatred or ill-will between different religion, racial, linguistic or regional groups or castes or communities or which is likely to disturb public tranquility. Section 22 of the Act empowers the Central Government to frame Rules to carry out the provisions of Act. The Central Government in exercise of

the powers conferred on it by Section 22 of the Act is empowered to make Rules which are known as The Cable Television Networks Rules, 1994 [for short, "the Rules"]. Rule 7 of the Rules provides that where an advertisement is carried in the cable service it shall be so designed as to conform to the laws of the country and should not offend morality, decency and religious susceptibilities of the subscribers. Sub-rule (2), inter alia, provides that no advertisement shall be permitted which derides any race, caste, colour, creed and nationality, is against any provision of the Constitution of India and tends to incite people to crime, cause disorder or violence or breach of law or glorifies violence or obscenity in any way. Sub-rule (3) further provides that no advertisement shall be permitted the objects whereof are wholly or mainly of religious or political nature, advertisements must not be directed towards any religious or political end. It is in this background, we now propose to pass the following order:

Every registered National and State, political party and every contesting candidate proposing to issue advertisement on television channel and/or cable network will have to apply to the Election Commission/Designated Officer (as designated by the Election Commission) not later than three days prior to the date of the proposed commencement of the telecast of such advertisement. In case of any other person or unregistered political parties, they will have to apply not later than seven days prior to the date of the telecast. Such application shall be accompanied by two copies of the proposed advertisement in electronic form along with a duly attested transcript thereof. In case of first phase of elections, the application shall be disposed of within two days of its receipt and until decision thereon is taken, our order dated 2<sup>nd</sup> April, 2004, shall apply. In case of subsequent phase of election, the application shall be disposed of within three days of its receipt and until the decision thereon is taken, our order dated 2<sup>nd</sup> April, 2004, shall apply. While disposing of such applications, it will be open to the Election Commission/Designated Officer to direct deletion/modification of any part of the advertisement.

The application for certification shall contain following details:

- (a) The cost of production of the advertisement;
- (b) The approximate cost of proposed telecast of such advertisement on a television channel or cable network with the break-up of number of insertions and rate proposed to be charged for each such insertion;
- (c) It shall also contain a statement whether the advertisement inserted is for the benefit of the prospects of the election of a candidate(s)/parties;
- (d) If the advertisement is issued by any person other than a political party or a candidate, that person shall state on oath that it is not for the benefit of the political party or a candidate and that the said advertisement has not been sponsored or commissioned or paid for by any political party or a candidate; and
- (e) A statement that all the payments shall be made by way of cheque or demand draft.

We find that Section 2(a) of the Act defines "authorized officer", within his local limits of jurisdiction, as (a) District Magistrate; (b) Sub-divisional Magistrate; or (c) Commissioner of Police. Similarly, Section 28-A of the Representation of People Act, 1951 provides that the Returning Officer, Assistant Returning Officer, Presiding Officer, Polling Officer and any other officer appointed under this part and any police officer designated for the time being by the State Government, for the conduct of any election shall be deemed to be on deputation to the Election Commission for the period commencing on and from the date of the notification calling for such election and ending with the date of declaration of results of such election and, accordingly, such officer shall during that period, be subject to the control, superintendence and discipline of the Election Commission.

Since it is not physically possible for the Election Commission to have a pre-censorship of all the advertisements on various cable networks and television channels, it has become necessary to authorize the Election Commission to delegate its powers in this behalf to the respective District Magistrates of all the States or Union Territories, not below the rank of a Sub-divisional Magistrate or a member of the State Provincial Civil Service. This may be done by a general order issued by the Election Commission. These officers shall act under the control, superintendence and discipline of the Election Commission. The Election Commission in its turn may delegate its powers to the Chief Electoral Officer of each State or the Union Territories, as the case may be.

The Chief Electoral Officer of each State or Union Territory may appoint a committee for entertaining complaints or grievances of any political party or candidate or any other person in regard to the decision to grant or to refuse certification of an advertisement. The committee so appointed shall communicate its decision to the Election Commission.

The committee so constituted will function under the overall superintendence, direction and control of the Election Commission of India.

The decision given by the committee shall be binding and complied with by the political parties, candidates, or any other person applying for advertisements in electronic media subject to what has been state above.

The comments and observations for deletion or modification, as the case may be, made, shall be binding and complied with by the concerned political party or contesting candidate or any other person within twenty four hours from the receipt of such communication and the advertisement so modified will be re-submitted for review and certification.

We may clarify that provisions of Section 126 of the Representation of People Act, 1951, shall apply to the advertisement covered by this order.

If any political party, candidate or any other person is aggrieved by the decision taken either by the committee or by the Designated Officer/Election Commission it will be open for them to approach only this court for clarification or appropriate orders and no other court, tribunal or authority shall entertain any petition in regard to the complaint against such advertisement. This order shall

come into force with effect from 16<sup>th</sup> April, 2004 and shall continue to be in force till 10<sup>th</sup> May, 2004.

This order is being issued in exercise of the powers under Article 142 of the Constitution of India and it shall bind all the political parties, candidates, persons, group of persons or Trusts who propose to insert the advertisement in the electronic media, including cable network and/or television channels as well as cable operators.

It will be open to the Election Commission to requisition such staff as may be necessary for monitoring the telecast of such advertisements. Where the Election Commission is satisfied that there is a violation of this order or any provisions of the Act, it will issue an order to the violator to forthwith stop such violations and it will also be open to direct seizure of the equipments. Every order shall be promptly complied with by the person(s) on whom such order is served.

The funds to meet the cost of monitoring the advertisements should be made available to the Election Commission by the Union of India. Adequate publicity of this order shall be given by the Union of India on the electronic media and through print media.

This order is in continuation of the order passed by this Court on 2<sup>n</sup> April, 2004 and shall remain in operation as an interim measure till 10<sup>th</sup> May, 2004.

Subject to the aforesaid order, the judgment of the High Court of Andhra Pradesh dated 23<sup>rd</sup> March 2004 shall remain stayed. This order is passed not in derogation of but in addition to the powers of the Central Government in regard to the breach of the provisions of the Act."

Election Commission's letter No. 3/9/2004/J.S-II, dated 24.08.2004 addressed to the Chief Electoral Officers of all States and Union Territories.

### **Subject: - Restrictions on the printing of pamphlets, posters, etc.**

I am directed to invite your attention to the Commission's Order No. 3/9/(ES0G8)/94-JS-II dated 2.9.94 on the above subject wherein Commission issued its guidelines in pursuance of the provisions of section 127A of the Representation of the People Act, 1951 regarding printing and publication of election pamphlets, posters etc. These provisions are reproduced below:-

"127A. Restrictions on the printing of pamphlets, posters, etc. (1) No person shall print or publish, or cause to be printed or published, any election pamphlet or poster which does not bear on its face the names and addresses of the printer and the publisher thereof.

- (2) No person shall print or cause to be printed any election pamphlet or poster -
- (a) unless a declaration as to the identity of the publisher thereof, signed by him and attested by two persons to whom he is personally known, is delivered by him to the printer in duplicate; and
  - (b) unless, within a reasonable time after the printing of the document, one copy of the declaration is sent by the printer, together with one copy of the document;
    - (i) where it is printed in the capital of the State, to the Chief Electoral Officer; and
    - (ii) in any other case, to the district magistrate of the district in which it is printed.
- (3) For the purposes of this section:-
- (a) any process for multiplying copies of a document, other than copying it by hand, shall be deemed to be printing and the expression "printer" shall be construed accordingly; and
  - (b) "election pamphlet or poster" means any printed pamphlet, hand-bill or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates or any placard or

poster having reference to an election, but does not include any hand bill, placard or poster merely announcing the date, time, place and other particulars of an election meeting or routine instructions to election agents or workers.

- (4) Any person who contravenes any of the provisions of sub-section (1) or sub-section (2) shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to two thousand rupees, or with both."

2. It Has been observed that surrogate advertisements appear in print media, especially newspapers, for and against particular political parties and candidates during election period. In many cases such advertisements are for the prospects of election of particular candidates. As per Section 77(1) of the Representation of the People Act, 1951, expenditure involved in such advertisements in connection with the election of any candidate has to be added to the account of election expenses of the candidate, required to be maintained under that Section. Further, Section 171H of IPC prohibits incurring of expenditure, on inter-alia, advertisement, circular or publication, for the purpose of promoting or procuring the election of a candidate, without authority from the candidate. The surrogate advertisements defeat the purposes of the aforesaid provisions of law.

3. In order to sub-serve the requirements of the provisions of law as mentioned above, the Commission has directed that in the case of any advertisements/election matter for or against any political party or candidate in print media, during the election period, the name and address of the publisher should be given along with the matter/advertisement.

4. This may be brought to the notice of all concerned including District Election Officers and the print media in your State for information and compliance.

Election Commission's letter No. 437/6/2004-PLN III, dated 24.12.2004 addressed to the Chief Secretaries/Chief Electoral Officers of Bihar & Jharkhand

**Subject: - Display of advertisements and hoardings at the cost of public exchequer.**

It has come to the notice of the Commission that a number of hoardings depicting the achievements of the party in power are displayed during the run up to the elections by the State Government/Union Government at the cost of public exchequer. Your attention is invited to sub-para (iv) of para VII - 'Party in Power'- of the Model Code of Conduct for the Guidance of Political Parties and Candidates which is as under: -

"The party in power whether at the Centre or in the States/UTs concerned, shall ensure that no cause is given for any complaint that it has used its official position for the purposes of its election campaign and in particular-

(iv) Issue of advertisement at the cost of public exchequer in the newspapers and other media and the misuse of official mass media during the election period for partisan coverage of political news and publicity regarding achievements with a view to furthering the prospects of the party in power shall be scrupulously avoided."

2. With the announcement of the schedule of elections to the Legislative Assemblies of Bihar, Haryana and Jharkhand on 17<sup>th</sup> December, 2004, the Model Code of Conduct came into force immediately. The continuing display of such hoardings and advertisements at the cost of public exchequer, even if such hoardings, advertisements or posters were displayed prior to the date of announcement of elections, constitutes a violation of the Model Code of Conduct as it provides an undue advantage to the party in power and has the effect of influencing the voters in favour of the party in power.

3. The Commission has directed that those hoardings, advertisements, etc., put up by the Government which purport to give general information or convey general messages to the masses on family planning, social welfare schemes etc. may be allowed to be displayed. However, all those hoardings, advertisements, etc. which seek or purport to project the achievements of any living political functionaries or political party and which carry their photos or name or party symbol should be removed forthwith as no political functionary or political party can use public resources and incur or authorize expenditure from public exchequer to eulogise himself or itself or enhance his/its own or any political

leader's personal image. Such hoardings, etc. undoubtedly amount to their individual/party election campaign at public cost.

4. The Commission has also directed that no advertisements should hereafter be issued in the newspapers and other media, including electronic media, at the cost of public exchequer during the election period and the misuse of mass media during the election period for partisan coverage of political news and publicity regarding achievements with a view to furthering the prospects of the party in power should be scrupulously avoided.

5. All Departments/Offices of the State Government may be informed of this directive of the Commission for immediate compliance.

6. The receipt of this letter may be acknowledged.

  3. Clause (b) of sub-section(1) of Section 126 prohibits display of election matter through T.V. or similar apparatus. **Subject: Publication of advertisements in connection with occasions like World Habitat Day, Pulse Polio/HIV awareness campaigns and celebrations of various 'Diwas' like Independence Day, Republic Day, Gandhi Jayanti, State Formation days.**

The Commission receives various references from the Ministries/Departments seeking clearance for the publication of advertisements on the occasions of World Habitat Day. Pulse Polio Immunization/HIV awareness campaigns during the run-up to General/Bye-elections to the Lok Sabha/State Legislative Assemblies when the model code of conduct is in force.

Objecting to the publication of advertisement on important social issues is never intended by the Commission. It only wants to ensure that the party in power does not misuse the Government machinery in the garb of spreading a social message which is against the spirit of providing a level playing field and so violate the spirit of free and fair election. Election Commission of India has therefore, taken a clear stand that there will be no objection to the release of such advertisements if they do not contain the photograph or political message of any Minister/political dignitary and do not highlight the achievements of the party which may influence the voters and induce them to vote in their favour.

Different important historical days like Independence Day, Republic Day, Gandhi Jayanti, Shivaji Jayanti and State Formation Days are celebrated with much fanfare which are attended to by Central/State Ministers who, at time, make it a platform for gaining political advantage by highlighting the achievements of the party in power or their political functionaries contesting the elections. The Commission has taken a serious note of this and decided that while the Ministers can participate in such celebrations the theme of their speeches should be confined only to the historical background, deeds and achievements of the historical figures and they must take utmost care not to make any political speech converting the forum into a platform for political campaign.

For similar reasons, there will be a complete ban on celebrations like "xxx years/days in power" during this period as such occasions are virtually utilized to highlight the achievement of the party in power.

### **Subject: Applicability of Model Code of Conduct - Display of advertisements and hoardings at the cost of public exchequer**

It has come to the notice of the Commission that a number of hoardings depicting the achievements of the party in power are being displayed by the Union and the States/UT Governments at the cost of public exchequer Your attention is invited to sub-para (iv) of para VII - Party in Power- of the Model Code of Conduct for the Guidance of Political Parties and Candidates which is as under:-

*“The party in power whether at the Centre or in the States/UTs concerned. shall ensure that no cause is given for any complaint that it has used its official position for the purposes of its election campaign and in particular-(iv) Issue of advertisement at the cost of public exchequer in the newspapers and other media and the misuse of official mass media during the election period for partisan coverage of political news and publicity regarding achievements with a view to furthering the prospects of the party in power shall be scrupulously avoided.”*

With the announcement of the schedule of General Elections to Lok Sabha and to the Legislative Assemblies of various States on 2<sup>nd</sup> March, 2009, the Model Code of Conduct came into force immediately. The continuing display of such hoardings and advertisements at the cost of public exchequer, even if such Hoardings, advertisements or posters were displayed prior to the date of announcement of elections, constitutes a violation of the Model Code of Conduct as it provides an undue advantage to the party in power and has the effect of influencing the voters in favour of the party in power.

The Commission directs that all such hoardings, advertisements, etc. on display at the cost of Public exchequer shall be removed forthwith by the authorities concerned and a compliance report furnished to the Commission.

The Commission has also directed that no advertisements should be issued in the newspapers and other media including electronic media at the cost of public exchequer during the election period and the misuse of mass media during the election period for partisan coverage of political news and publicity regarding achievements with a view to furthering the prospects of the party in power should be scrupulously avoided.

**Subject: Model Code of Conduct- Publication of advertisements by Central/State Governments during bye-elections to Lok Sabha/State Legislative Assembly -reg.**

As you are aware, the Model Code of Conduct applies in the entire country in the case of a Lok Sabha general election and in the State concerned during a general election to the Legislative Assembly of any State. In the case of bye-elections, the applicability of the Model Code of Conduct is restricted to the area of the Constituencies going to poll except certain provisions such as tours of Ministers, Advertisements, use of Govt. Guest Houses, transfer of officers, etc., which apply in the entire district in which the bye-election constituency falls (Please refer to the Commission's letter No. 437/6/INST/2012/CC&BE, dated 26-4-2012).

2. It is seen that the Governments, both at the Center and in the States, publish advertisements of various kinds, including advertisements on the accomplishments and achievements. Such advertisements are often released on special occasions such as Republic Day, Independence Day, Birthdays of prominent leaders, anniversary of Govt. etc. On occasions, there would be bye-elections in progress when such advertisements are published, and the issue of Model Code of Conduct comes into question then. It is not technically possible to block such advertisements, especially in the print media, in the specific areas covered under Model Code of Conduct during bye-elections while publishing it in the other places.

3. The Commission has considered this issue. Taking into account all aspects of the matter, the Commission has directed that the release/publishing of advertisements at the cost of public exchequer during the period of operation of Model Code of Conduct in connection with bye-elections will be regulated as follows:-

(i) Advertisement of general nature in connection with specific occasions of importance may be published. However, such publishing shall be restricted to the dates coinciding with the special occasion only, and it shall not be published on other days. The advertisement shall not bear photographs of any Minister and other political functionaries.

(ii) No advertisement having any specific/pointed reference or connotation to the areas covered by the bye-election constituencies shall be released/published on any date during the period.

4. It may be noted that these instructions apply only in relation to bye-elections. At general elections, the prohibition on advertisements at the cost of public exchequer shall continue to be strictly enforced.

5. These guidelines may be taken note of and also brought to the notice of all authorities concerned for compliance in future.

### **Subject: Use of Aircraft by Political Parties-regarding**

The Commission has already issued detailed instructions regarding use of Government aircraft owned by the Government and Public Sector Undertakings. As per these existing instructions, during the election process there is a complete ban on use of aircraft by political functionaries including Chief Minister and Ministers. The only exemption is for the Prime Minister in office. These instructions have been reiterated again recently by the Commission on 16.12.1997.

Requests have been received from some of the Chief Ministers for relaxation of these restrictions for various reasons including those of security.

The Commission reviewed the matter in depth and obtained further inputs from appropriate quarters in this regard. After taking into consideration all relevant factors into account, the Commission had decided that the existing instructions in the matter will stand and there shall be no relaxation in the matter for any reason.

The Commission's existing restrictions do not however prohibit use of private aircraft by such political functionaries including Chief Ministers. Accordingly the Commission makes it clear that such political functionaries including Chief Ministers may, if required, hire private aircrafts and use it for their political campaign and other election related activities. The expenses of use of such aircraft can be paid for by the concerned political parties and have to be accounted for suitably in their accounts.

Kindly acknowledge the receipt.

The Commission has already issued detailed instructions regarding use of Government aircraft owned by the Government and Public Sector Undertakings. As per these existing instructions, during the election process, there is a complete ban on use of aircraft by political functionaries including Chief Minister and Ministers. The only exemption is for the Prime Minister in office. These instructions have been reiterated by the Commission on 14<sup>th</sup> July, 1999.

- a. Requests have been received from some of the Chief Ministers for relaxation of these restrictions for various reasons including those of security.
- b. The Commission reviewed the matter in depth and obtained further inputs from appropriate quarters in this regard. After taking into consideration all relevant factors into account, the Commission has decided that the existing instructions in the matter will stand and there shall be no relaxation in the matter for any reason.
- c. The Commission's existing restrictions do not, however, prohibit use of private aircraft by such political functionaries including Chief Ministers. Accordingly, the Commission makes it clear that such political functionaries including Chief Ministers may, if required, hire private aircrafts and use it for their political campaign and other election related activities. The expenses of use of such aircraft can be paid for by the concerned political parties and have to be accounted for suitably in their accounts.
- d. Kindly acknowledge the receipt.

And copy to Secretary, Deptt of Revenue, Govt. of India, Director General, Civil Aviation, New Delhi and Chief secretary/CEOs of all States/UTs

### **Subject: Use of privately owned aircrafts other than scheduled commercial flights by Political Parties and the Government functionaries**

As you are aware the 12<sup>th</sup> Lok Sabha has been dissolved and the notifications for holding elections for constituting the 13<sup>th</sup> Lok Sabha have been issued. This process is to be completed before 10<sup>th</sup> of October, 1999. High dignitaries like Chief Ministers and Ministers of the Union Government as well as senior political functionaries and party leaders might be making use of privately owned aircrafts other than scheduled commercial flights for attending various political meetings and campaigns.

2. It is important that full records of all such non-scheduled flights are maintained by the appropriate authorities as required under law and relevant rules. Details like passenger manifests, exact times of departure and arrival of aircrafts at various places need to be maintained. Commission may seek information on these details to verify complaints which are received from time to time. Accordingly, I am directed by the Commission to request you to alert the appropriate authorities of the Central and State Governments to keep meticulous records of these details.

Another aspect which has been brought to the notice of the Commission relates to the payments for use of aircrafts for such purposes. It has been reported that in some cases, such payments are made in cash by individuals/political parties.

3. A copy of this letter is also being endorsed to Secretary to the Govt. of India, Department of Revenue and Chief Secretaries of all State Governments and all Chief Electoral Officers for their information and necessary action.

Election Commission's letter No. 4/2001/J.S.II dated 30.03.2001, addressed the Chief Electoral Officers of all States and Union Territories.

**Subject: Prevention of misuse of official vehicles during elections - Clarification**

I am directed to invite your attention to the Commission's Order No. 437/6/96/PLN-III. dated 15<sup>th</sup> January, 1996 on the above subject, reproduced at p.p. 171 -173 of the Commission's Compendium of Instructions. 1998.

2. The Commission had directed in the above Order that the restrictions on the use of official vehicles for campaigning, electioneering or election related travel are applicable in the case of the Speaker, the Deputy Speaker of Lok Sabha and the Deputy Chairman of Rajya Sabha at the time of General Elections to the Lok Sabha.

3. In Order to ensure free and fair poll and maintain the purity of election process, the Commission has directed that the restrictions on the use of official vehicles for campaigning, electioneering or election related travel as enumerated in the Commission's Order dated 15<sup>th</sup> January, 1996 will be equally applicable in the case of Speaker and Deputy Speaker of the State Legislative Assembly at the time of General Election to any State Assembly irrespective of whether the Speaker and/or the Deputy Speaker of the Legislative Assembly is a contesting candidate or not at the General Election to the State Assembly.

4. This should be brought to the notice of all concerned including the units of all recognized National and State Parties in your State.

5. This disposes of Message No. 2243/2001 -1, dated 16<sup>th</sup> March, 2001 from Chief Electoral Officer, Tamil Nadu.

With copy forwarded to 1 .The Director General of Civil Aviation, New Delhi. 2.The Secretary to the Government of India, Ministry of Tourism & Civil Aviation, New Delhi.3.The Cabinet Secretary, Government of India, New Delhi.4.The Chief Secretaries to the Governments of all States and Union Territories.

**Subject: Supervision and monitoring of poll and counting process by leaders of political parties by using private fixed-wing aircraft and helicopters on the days of poll and counting -regarding**

A question has been raised whether the leaders of political parties may be permitted to supervise and monitor the process of polling and counting by using private fixed-wing Aircraft and helicopters for movement from constituency to constituency on the days of poll and counting.

2. I am directed to state that the Election Commission has carefully considered the question in all its aspects. The supervision and monitoring of the polling and counting process by these leaders will amount to interference in the performance of the functions of the Election Commission and usurping its powers, as the superintendence, direction and control of conduct of elections has been vested by Article 324 of the Constitution in the Election Commission and none else. Further, most of the leaders of all political parties have been categorized under various security grading and provided with security covers according to such grading. If they move from constituency to constituency on the days of polling and counting, adequate security precautions will have to be taken and security covers provided to each of them. On the days of polling and counting, the police and other security personnel are fully engaged in providing protection to voters, polling parties and polling materials in and around polling stations and counting centres, and in patrolling duties in the constituencies for maintaining proper law and order and peaceful atmosphere. Any disturbance or distraction in these arrangements to provide security to the leaders of political parties on the move from constituencies to constituencies may have serious impact on the conduct of free and fair poll and smooth and peaceful elections. It will also mean extra strain on the administrative machinery at the district and the sub-divisional levels, which are already stretched to the maximum during these days, as many of these political leaders will be entitled to some facilities, and courtesies on their visits there as per the requirements of protocol. Further, their movement, particularly on the days of poll, might also be taken as campaign during the prohibited period of 48 hours. It may also not be out of context to mention that the use of private fixed-wing aircraft and helicopters by the leaders of political parties on the days of poll and counting would add considerably to the already mounting election expenses and would be a retrograde step in the direction

of reasonable curbs on high expenditure on elections, apart from disturbing the level playing field whereby the political parties with smaller resources would be placed at disadvantageous position.

3. Having regard to all the above relevant considerations, the Commission has decided that no leader of a political party shall use private fixed-wing aircraft and helicopters for the purposes of supervising and monitoring the polling and counting process on the days of poll and counting.

4. The Commission has also decided that the Director General of Civil Aviation shall keep the above directions of the Commission in view and shall not permit the flights of private fixed-wing aircraft and helicopters for the movement of leaders of political parties for the above purpose on the days of poll and counting, except with the prior permission of the Election Commission in the case of any emergencies.

5. The above directions of the Commission should be brought to the notice of all political parties functioning in your State immediately for their information, guidance and compliance under intimation to the Commission.

Such a 'corrupt practice' attracts penalty and is punishable with fine, which may extend to five hundred rupees under section 133 of the Representation of the People Act, 1951. (See Election Commission's instruction no. 437/6/96-PLN-III dated 16.01.1996)

No exception shall be made, irrespective of the status of the candidate. (See Election Commission's instruction no. 437/6/96-PLN-III dated 16.01.1996).
- (v) It is clarified that, henceforth, the candidate or his agent or party workers or workers will be allowed to use only four/three/two wheeler vehicles i.e. cars (of all types) taxies, auto rickshaws, rickshaws and two wheelers. In these four wheel vehicles not more than 5 persons including driver will be allowed to move on the day of poll. - (vi) These instructions on plying vehicles will be applicable on all two wheelers like motorcycles and scooters (except bicycles) also and shall be made applicable for a period of 24 hours before the time fixed for closure of poll and till the completion of poll. - (vii) Penal action, both under the provisions of the R.P Act,1951 and Chapter IX A of the Indian Penal Code, shall be taken against anyone offending the above directions, in addition to action under the Motor Vehicles Act. All vehicles being used in violation of these directions shall be confiscated. (See Election Commission's instruction no. 437/6/96-PLN-III dated 16.01.1996).
- (viii) There is, however, no intention on the part of the Commission to put a complete ban on all vehicular traffic on the polling day and thereby create difficulties or cause harassment to the public. **During Filing Of Nominations:**

The maximum number of vehicles that will be allowed to come within the periphery of 100 meters of Returning Officers/Assistant Returning Officers office shall be three. (See ECI instruction No. 464/INST/2007/PLN-I dated 09.02. 2007).

**During Period of Electioneering**

- (ix) It has been experienced that during the period of electioneering private vehicles are used by the candidates, their agents and party leaders and supporters for carting the supporters of a candidate within the constituency and on many occasions anti-social elements with muscle power are openly paraded to instill a sense of fear in the minds of the electorate, so that they either vote in favour of particular party/candidate or abstain from voting altogether. These vehicles are also used sometimes to smuggle illicit arms and ammunition with a view to creating disturbances during elections. In order to curb such undesirable/illegal activities, the Commission further directs that the District Administration shall keep a close watch on the vehicles used by persons accompanying the contesting candidates and their party's leaders for any possible mischief, including criminal activities like carrying of illegal arms and weapons. If any of these vehicles, either of a party or a private owner, is found to be involved in any such act or for carting anti-social elements with a view to intimidating or creating terror in the mind of the electorate, it shall be the duty of the local administration to impound such vehicles and not to release them till the process of elections is completed. In addition, criminal action against the owner, the occupant(s) and the candidate/political party which is

involved in such illegal activities shall also be taken as per law. (See Election Commission's instruction no. 437/6/96-PLN-III dated 16.01.1996)

- (x) So as to ensure free, fair and peaceful elections, the District Administration shall launch such drive for checking the vehicles immediately upon the announcement of the elections and shall continue the drive till the completion of the process of elections. (See Election Commission's instruction no. 437/6/96-PLN-III dated 16.01.1996)
- (xi) Cars/vehicles being used for electioneering purposes shall, under no circumstances, be allowed to move in convoys of more than three vehicles from the date of notification till the completion of election process in any constituency. All bigger convoys shall be broken up, even if they are carrying any minister of Central or State Govt. This shall, however, be subject to any security instructions issued in respect of any such individual. In other words the convoy shall not in any case exceed three vehicles of any person plus the security vehicles allowed in view of the security gradation of that particular person. (See Election Commission's instruction no. 437/6/97-PLN-III dated 18.03.97). Such broken up convoys must have a distance of at least 200 meters between them. (See ECI instruction no. 464/UP-LA/2007 dated 05.04.2007).
- (xii) If any person moves in a convoy of vehicles exceeding the limits prescribed above, in spite of the convoy having been broken, it shall be the duty of the local administration to ensure that such vehicles are not allowed to be used by flouting the Commission's directions till the process of election is completed.
- (xiii) In case the mode of road transport is to be availed of by leaders of political parties availing the benefit of clause (a) of explanation given under Sec. 77 (1) of R. P. Act, 1951, the permit will be issued centrally by the Chief Electoral Officer, irrespective of whether the same vehicle is to be used by any leader for election campaigning throughout the State or different vehicles are to be used by such party leaders in different areas. The permit will be issued against the name of the person concerned who will display it prominently on the windscreen of the vehicle being used by him/her in any area. The permits so issued by the CEO will be of distinctly different colour from the permits to be issued by the DEOs/ROs for candidates. (See ECI instruction no. 464/UP-LA/2007 dated 05.04.2007).
- (xiv) In case of Video – Vans etc. to be used by a political party for campaign across the states, before any permission to use Video-Vans for campaign is given, it should be ensured by Chief Electoral Officer that such use of vehicle is in accordance with the Motor Vehicle Act. Attention in this context is invited to the judgments dated 23.06.2006 and 14.02.2007 of the Allahabad High Court in writ petition No. 3648 (MB) of 2006. (See ECI instruction no. 464/UP-LA/2007 dated 05.04.2007).

- (xv) From the date of notification of the election till the completion of election process in any constituency, the district administration shall keep a close watch on the vehicles used by the contesting candidates, persons accompanying the contesting candidates and other party leaders and ensure that the Commission's instructions are not abused. (See Election Commission's instruction no. 437/6/97-PLN-III dated 18.03.97)
- (xvi) The contesting candidates be asked to get the details of all the vehicles that they are using in the election campaign lodged with the District Election Officer or such other officer(s) as may be specifically authorized by the District Election Officer in this behalf before the campaigning commences. Any further deployment of any additional vehicles can take place only after notice to this effect is given by the candidate or his agent well before the actual deployment of the vehicles. While conveying the details of the vehicles that are being deployed for election campaign the details of the areas, tehsil(s) in which the vehicle would operate, should also be conveyed. (See Election Commission's instruction no. 437/6/97-PLN-III dated 18.03.97).
- (xvii) The details so obtained should be conveyed by District Election Officer to the Election Expenditure Observers. The vehicles employed for election campaign as per intimation given by the candidates or their election agents to the District Administration should not be requisitioned by the administration. Any vehicle that has not been registered for campaigning with the district administration if found being used for campaigning, shall be deemed to be unauthorized campaigning for the candidate and may attract penal provisions of Chapter IX A of the Indian Penal Code and shall therefore be immediately taken out of the campaigning exercise. (See Election Commission's instruction no. 437/6/97-PLN-III dated 18.03.97).
- (xviii) A cycle rickshaw is also a vehicle as defined in Section 160 of Representation of People Act, 1951, which may be used for election campaign. If it is being used, then a candidate has to account for its expenditure in his account of election expenses. To ensure this, the candidate should give details of such rickshaws being used for his election campaign and, if the rickshaw does not have any municipal registration/permit for its identification, the rickshaw driver may be given a permit in his personal name by the Returning Officer which the rickshaw driver should carry on his person while using that rickshaw for campaign purposes. However, rickshaws being used for normal purposes of carrying passengers in ordinary course etc. may be exempted, if they are displaying only one poster showing the name or party symbol of a candidate, presuming they are doing so on their own free will. (See Election Commission's instruction no. 437/6/2006-PLN-III (vol-ix) dated 12.07.2006).
- (2) The above instructions may be brought to the notice of all concerned for strict compliance.

**Subject: General Election to the Legislative of Assemblies, 2008 - Use of official vehicle by the functionaries of the various Boards/Commissions etc.- regarding.**

It has been brought to the notice of the Commission that the vehicles provided by the State Government to non-official functionaries viz. Chairman, Dy. Chairman, President, Vice President, Commissioners etc. of the various autonomous organizations are likely to be misused during the electioneering. The provisions of the Model Code Conduct and various instructions issued from time to time prohibits the use of official vehicle for the purpose of electioneering to ensure a level playing field among the parties and candidates in the fray.

The Commission, after taking into account all relevant factors, has decided that the functionaries of all the autonomous organizations may be instructed to use the official vehicle only for commuting between office and residence and to attend any official meeting within the Head Quarters itself. The District Administration may be advised to keep strict vigil on the movement of such vehicle and any vehicle found being misused may be confiscated forthwith.

This may be brought to the notice of the all concerned for strict compliance.

## INSTRUCTION SI. No. 52

ECI letter No. 437/6/1/2008-CC&BE dated 24.10.2008 addressed to the Cabinet Secretary, Chief Secretaries/Chief Electoral Officers of all States and UTs.

**Subject:- Election Expenditure on travel by Lead Campaigners-use of helicopter for election campaign- reg.**

I am directed to state that according to sub-section (1) of section 77 of the Representation of the People Act, 1951 it is provided that "**Every candidate** at an election shall, either by himself or by his election agent, keep a separate and correct account of all expenditure in connection with the election incurred or authorized by him or by his election agent between the date on which he has been nominated and the date of declaration of the result thereof, both dates inclusive". Under sub-section (2) it is provided that the account shall contain such particulars as may be prescribed, and under sub-section (3), it is laid down that the total of the said expenditure shall not exceed such amount as may be prescribed.

2. Explanation (1) to section 77(1) provides that the expenditure by leaders of a political party (usually referred to by us as star campaigners) on account of their travel by air or any other means of transport for propagating programme of a political party shall not be deemed to be expenditure in connection with the election incurred or authorized by a candidate of that political party.

3. The provisions of section 77(1) and Explanation (1) there – under have to be so harmoniously read that they do not nullify the main object underlying the provisions of section 77(1). Section 77(1) clearly stipulates that a candidate has to account for all his election expense, incurred or authorized by him or by his election agent. Explanation (1) is in the nature of an exemption from account of such expenditure which is incurred by the leaders of the political party in connection with the candidate's election, so that election campaign may be carried out in his constituency by leaders of his political party and any expenditure incurred on their travel by or any other means of transport may not form part of the candidate's overall expenditure. It therefore follows that a candidate who has been declared as leader by a Political Party for the purposes of Explanation to Section 77(1), cannot not considered to be a leader of his political party **in his own constituency** within the meaning of Explanation (1) to section 77(1), whatever may be his standing in relation to other candidates of his party in the other constituencies. In his own constituency(ies), he is a candidate first. Thus, whatever expenditure he incurs on his own travel within his constituency(ies), on his travel whether by helicopter/aircraft or by any other means of transport, the same has to be accounted for within his overall limit of maximum expenditure prescribed for his constituency. When he goes out of his constituency to the other constituency as a star campaigner, the expenditure on his travel from his constituency to the

other constituency would fall within the exempted category, and so also his travel expenditure from the other constituency to his own constituency when he comes back for his own campaign would be so exempted. But once he reaches his constituency and travels within the said constituency, his expenditure on such travel within his constituency would be liable to be accounted for by him. Any other interpretation of the above mentioned provisions would defeat the very object underlying section 77(1). This would be more evidently glaring in the case of bye-elections where a political party may include the name of its candidate as a star campaigner and that would give him a license to travel within his constituency by adopting any means of communication and without accounting for the same.

**Subject:- Use of Road Transport by party campaigners availing the benefit to clause (a) of explanation given under Section 77 (1) of the Representation of the People Act, 1951 - regarding**

I am directed to refer to Commission's instruction issued vide its letter no. 437/6/2007/Vol.-IV-PLN-III dated 16<sup>th</sup> October, 2007 and instruction issued vide letter No. 3/7/2008/JS-III dated 7<sup>th</sup> October, 2008 and to state that the Commission has already modified the guidelines on use of vehicles in convoy and use of flags and stickers on vehicles. Consequently, the former instruction stated above is modified and superseded by this instruction regarding number of vehicles to be allowed to go in a caravan on the road during the period of election campaign by leader(s) who have availed of the benefit of clause (A) of the explanation given under section 77(1) of the Representation of the People Act, 1951.

- (i) The restriction on number of vehicles in a convoy has been withdrawn, however, vehicles in the convoy have to conform to the condition as mentioned in the later instruction referred above.
- (ii) In case the mode of road transport is to be availed of political parties availing the benefit of clause (a) of explanation given under Sec. 77(1) of Representation of the People Act, 1951, the permit will be issued centrally by the Chief Electoral Officer irrespective of whether the same vehicle is to be used by any leader for election campaigning throughout the State or different vehicles are to be used by such party leaders in different areas. The permit will be issued against the name of the person concerned who will display it prominently on the windscreen of the vehicle being used by him/her in any area. The permits so issued by the Chief electoral Officer will be of distinctly different colours from the permits to be issued by the District Election Officers/Returning Officers for candidates.
- (iii) If the vehicle so permitted in item (ii) above is also occupied by any other person than the leader referred to in item (ii), in that case, the 50% expenditure of the same shall be booked in the expenditure of concerned party contesting candidate from that constituency.
- (iv) In case of Video - Vans etc. to be used by a political party for campaign across the states, before any permission to use Video-Vans for campaign is given, it should be ensured by Chief Electoral officer that such use of vehicle is in accordance with the Motor Vehicle Act. This may be brought to the notice of all Political parties and all election related Officers immediately.

**Subject: Prevention of misuse of vehicles during election – regarding.**

Sir,

I am directed to invite your attention to the Commission's instructions issued vide its letter no. 437/6/2006-PLN-III dated 23<sup>rd</sup> November, 2007 on the subject cited and to state that in Commission's letter no. 437/6/INST/2008-CC&BE dated 31<sup>st</sup> October, 2008, the Commission had withdrawn the restriction imposed on the number of vehicles moving in a convoy in the case of political leaders availing exemption under explanation (1) of Section 77 of the R. P. Act, 1951. The Commission has decided to issue the following Guidelines in partial modifications of the above mentioned Commission's instructions dated 23<sup>rd</sup> November, 2007.

Subject: Applicability of Model Code of Conduct - Use of Aircraft / Helicopter by Political Parties – regarding.

I am directed to state that the Commission has already issued detailed instructions regarding use of Government aircraft / helicopter owned by the Government and Public Sector Undertakings. As per these existing instructions, during the election process there is a complete ban on use of aircraft by political functionaries including Chief Minister and Ministers. The only exemption is for the Prime Minister in office.

Requests have been received from some of the Chief Ministers for relaxation of these restrictions for various reasons including those of security.

The Commission reviewed the matter in depth and obtained further inputs from appropriate quarters in this regard. After taking into consideration all relevant factors into account, the Commission has decided that the existing instructions in the matter will stand and there shall be no relaxation in the matter for any reason.

The Commission's existing restrictions do not however prohibit use of private aircraft by such political functionaries including Chief Ministers. Accordingly the Commission makes it clear that such political functionaries including Chief Ministers may, if required, hire private aircrafts and use them for their political campaign and other election related activities.

Please refer to the Commission's letter No. 437/6/2007/PLN-III, dated 24th October, 2007, on the above subject. **Subject: Use of Loudspeakers for election campaigns- Consolidated instructions**

All political parties, candidates and their workers, supporters and sympathizers are using loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also used mounted/fitted on vehicles like trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also so around villages, basties, Mohallas, colonies and localities with the loudspeakers broadcasting at very great volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are badly hampered because the loudspeakers stall blaring from very early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.

2.. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But. at the same time, indiscriminate and unfettered use of loudspeaker at odd hours and at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. After considering all aspects of the matter, the Commission, in exercise of its powers conferred by Article 324 of the Constitution and all other powers enabling it in this behalf and in supersession of its earlier instructions, hereby DIRECTS that the use of loudspeakers at all future elections shall be strictly regulated as follows:-

- (i) The use of loudspeakers, whether fitted on vehicles of any kind whatsoever, or in static position used for public meetings for electioneering purposes, during the entire election period starting from the date of announcement of election and ending with the date of declaration of results shall be permitted only (a) between 6.00 a.m. and 11.00 p.m in rural areas i.e. areas outside corporation or municipal Limits: and (b) between 6.00 a.m. and 10.00

p.m. in other areas, i.e. areas falling within corporation or municipal limits. (***This para has been substituted vide Election Commission's letter No.3/8/2005/JS-II, dated 26<sup>th</sup> September, 2005 reproduced at Item No.184 as under:-***

***"3(i) A public address system or loudspeaker or any sound amplifier, whether fitted on vehicles of any kind whatsoever, or in static position, used for public meetings for electioneering purposes, shall not be used at night between 10.00 p.m. and 6.00 a.m."***

- (ii) All loudspeakers whether used for general propaganda or for public meetings or procession, and whether used on moving vehicles or otherwise, shall be used during the restricted hours only mentioned in clauses (ii) above and never beyond.
- (iii) All loudspeaker being used beyond the hours as prescribed above, shall be confiscated along with all the apparatus connected with the use of these loudspeakers.
- (iv) All political parties, candidates and any other persons using any loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.
- (v) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeaker and all the apparatus used along with it.
- (vi) All political parties, candidates and even other person using an\ loudspeaker either on a moving vehicle or at a fixed place shall intimate -
  - (1) the Returning Officer of the Constituency, and
  - (2) local Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers. In the case of mobile loudspeakers, the registration identification numbers of the vehicles shall also be registered by them with the Returning Officer and the local Police authorities.
- (vii) It shall be the responsibility of the State Government authorities granting permits for use of loudspeakers and the local Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions,

4. No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used during the period of 48 hours ending with the hour fixed for the conclusion of the poll in any polling area. Even after the close of poll proper law and order is required to be maintained till completion of election after the declaration of result. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The District Administrations should, therefore, consider any application for permission to use loudspeakers after the aforesaid prohibitory period of 48 hours, on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.

5. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulous- implemented and strictly enforced by all State government authorities concerned. Any violation there of will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

6. A copy of this order shall be made available to local units of all recognized National and State parties in English/Hindi and in local official languages, and 10 each candidate at the time of his nomination, under acknowledgement.

It has always been the endeavor of the Commission to ensure free and fair elections and towards that end it has issued instructions from time to time on various aspects of the election process to ensure that there is no damage to any person or property. The Commission attaches highest importance to the integrity and transparency of the electoral process. The main objective of the Commission is to ensure level playing field for all political parties and to see that the ruling party (ies) at the Centre and in the States do not use their official power and machinery to further their prospects in the elections. The election campaign, therefore, forms an effective tool for all political parties to reach out among the common masses and create voting awareness among them.

2. The Commission has been receiving representations from various States/UTs regarding scarcity of grounds for campaign purposes. The political parties have been urging the Commission from time to time to allow them to utilize school and college grounds for political meetings. The Commission has considered the issue and has decided to allow the use of school and college grounds for political meetings provided: The Chief Electoral Officers of All States/UTs.(except Punjab and Haryana) Use of School Grounds for campaign purposes during election Process - regarding.

- a) schools and colleges academic calendar is not disturbed under any circumstances.
- b) The School/College Management has no objection for this purpose and prior permission for such campaigning is obtained from the school/college Management as well as Sub Divisional Officer.

- e) The Political Parties and candidates and campaigners shall take care to ensure that the above norms are not violated.

The political party/parties restoring back the campaign ground to the concerned school/college authority should be responsible for the payment of such compensation, if any.

The Min. of Defence has brought to the notice of the Commission that the photographs of the Defence personnel are being used by the Political Parties, their leaders and candidates in advertisements as part of their election propaganda and requested the Commission to issue suitable instruction in this regard.

It is pertinent to mention here that the Armed Forces of a nation are the guardian of its frontiers, security and the political system. They are apolitical and neutral stakeholders in a modern democracy. It is therefore necessary that the political parties and leaders exercise great caution while making any reference to the Armed forces in their political campaigns. The Commission is of the view that photographs of Chief of Army Staff or any other defence personnel and photographs of functions of Defence forces should not be associated with or used in any manner in advertisement/propaganda/campaigning or in any other manner in connection with elections by Political Parties and candidates.

The Commission accordingly calls upon all the Political Parties to advise their candidates/leaders to desist from displaying photographs of Defence personnel or photographs of functions involving defence personnel in advertisements, or otherwise as part of their election propaganda/campaigning.

You are, therefore, requested to issue appropriate instructions to your candidates/leaders/cadres in this regard to ensure compliance in the matter.

Case:-MISC. BENCH No.-603 of 2014

Petitioner:- Pratap Chandra (P.I.L.)

Respondent:- Union of India Through Secretary Ministry of Home & Others

Counsel for Petitioner:- Vijay Kumar Pandey

Counsel for Respondent:- C.S.C., A.S.G., Aprajita Bansal, Manish Mathur

Hon'ble Imtiyaz Murtaza, J.

Hon'ble Devendra Kumar Upadhyaya, J.

Heard Sri Vijay Kumar Pandey, learned counsel for the petitioner, Sri K.C. Kaushik, Assistant Solicitor General of India for respondent no.1, Sri Manish Mathur for respondent no.2, learned Chief Standing Counsel for respondent no.3 and 4 and Ms. Aprajita Bansal for respondent no.5.

Through the instant Public Interest Litigation, a direction has been sought to be issued to the respondents not to allow the use of the National Flag in any particular rallies of any political parties.

For proper use of the National Flag, Flag Code of India has been notified by the Government of India, wherein certain provisions have been made. According to paragraph 2.1. of the said Code, there is no restriction in display of National Flag by members of general public, private organisations, educational institutions etc., except to the extent provided in the Emblems and Names (Prevention of Improper Use) Act, 1950 and Prevention of Insults to National Honour Act, 1971 or any other law enacted for the said purpose.

The Flag Code specifically prohibits the use of National Flag for commercial purpose in violation of the Emblems and Names (Prevention of Improper Use) Act, 1950. It also clearly envisages that the Flag shall not be dipped in salute to any person or thin and further that the Flag shall not be flown at half-mast except on occasions on which the Flag is flown at half-mast on public buildings in accordance with the instructions issued by the Government. There are certain other instructions in the Flag Code.

The Flag Code and other enactments referred to hereinabove have been promulgated for their strict observance. We may also refer that any contravention of the provisions of the Emblems and Names (Prevention of Improper Use) Act, 1950, attracts penal action.

On a specific query being put to the learned counsel for the petitioner, as to whether there is any prohibition for proper use of National Flag by the political parties, he could not satisfy the Court. However, he stated that it is the bounden duty of the State authorities to ensure that the national flag is used only in proper manner and in accordance with the provisions contained in the Flag Code of India as also in the enactment, namely, the Emblems and Names (Prevention of Improper Use) Act, 1950 and the provisions of the Prevention of Insults to National Honour Act, 1971. Needless to say that in order to preserve the honour and respect attached to the National Flag, it is the bounden duty of the authorities concerned to ensure strict compliance and observance of the provisions of the Flag Code of India and the legislations, as referred to hereinabove. We hope and expect that strict compliance thereof shall be ensured by all concerned.

With the aforesaid observation, the petition is disposed of finally.

ECI letter No. 437/6/INST/2013/CC&BE, dated 28.11.2013 addressed to the President/General Secretary of all recognised National and State Political Parties.

**Subject: Model Code of Conduct for guidance of political parties and candidates-maintenance of high standards electoral campaign -reg.**

The progressively plummeting levels of political discourse witnessed during the ongoing election campaign for the 5 State Assembly elections, namely Chhattisgarh, Madhya Pradesh, Mizoram, Rajasthan and Delhi is a matter of serious concern and deep anguish for the Commission.

2. The burgeoning tide of complaints and counter complaints received in the Commission are indicative of the fact that-

(a) Mouting of provocative and inflammatory statements' calculated to cause mutual hatred, disharmony or ill will,

(b) Use of intemperate and abusive language transgressing the limits of decency, and

(c) Attacks on the personal character and conduct of political rivals, in utterances & through posters/hoardings, tend to incite mutual hatred, disharmony or ill-will and aggravate the differences between different political parties and classes of citizens on the grounds of religion, caste, community, etc., and which the Model Code of Conduct dissuades from being resorted to.

3. The Commission duly recognizes the fundamental right of freedom of speech and expression under Article 19(1)(a) of the Constitution guaranteed to citizens of India, but it also needs to be pointed out that such right to freedom of speech and expression is not absolute and is to be exercised in such a manner that it does not transcend, inter alia, the boundaries of decency and morality or disturb public order or amount to defamation or give incitement to an offence as ordained in clause (2) of that Article 19. The Model Code of Conduct aims and seeks to achieve that very objective by its various provisions.

4. The gravity of the situation can be gauged by the fact that the Commission is seized of petitions from two National recognized Political parties seeking each other's de-recognition for repeated violations of the Model Code of Conduct under Para 16A of the Election Symbols (Reservation and Allotment) Order, 1968.

5. While the Commission does not propose to take action on the lines prayed for, by the said two national recognised political parties at this stage, the Commission, however, desires to put all Political Parties on notice that any repeated violation of the Model Code of Conduct and use of intemperate and abusive language may invite action against the defaulting political parties.

**Subject: Election related campaign activities undertaken by persons other than political parties and candidates-reg.**

Complaints are being received by the Commission from various quarters that some social, cultural or religious organizations, associations, formations etc., are making appeals to electors amounting to election campaign in favour of, or against, certain political parties or candidates, by holding congregations, yoga shivers, conclaves, meetings, processions, etc. These complaints also point out that some of these organizations/associations, in their campaign, are also invoking religion and are playing on the religious sentiments of electors to whom such appeals are addressed.

2. The Commission, having considered the matter, hereby lays down the following guidelines to be observed in the matter of such campaigns by organizations and persons other than political parties/candidates, during the period when Model Code of Conduct is in operation in connection with an election:

(i) They should not invoke, in any manner, religion or religious grounds in any manner, or any activities likely to create disharmony among different classes or groups of people, in their campaign. (ii) They should not indulge in any activities or make any statements that would amount to attack on personal life of any person or statements that may be malicious or offending decency and morality.

(iii) when persons and organizations seek permission to hold public programmes, they should be asked to give a declaration/undertaking to abide by the above guidelines.

(i) The public programmes of such persons and organizations should be closely monitored through videography. If anyone indulges in violation of the above guidelines' the state and district authorities concerned with the maintenance of proper law and order should take appropriate remedial and penal actions expeditiously in all such cases. Further, the District Administration shall ensure that such persons who violated the undertaking are not granted any permission to hold any further programmes during the period of that election.

- (ii) If the programmes involve incurring expense and amounts to directly promoting the electoral prospects of any particular candidate or candidates, prior special authority from the candidate concerned for incurring the expense shall be obtained in writing, as required under Section 171H of the IPC, and such authorization should be submitted to the District Election officer within 48 hours. ## I. Tour of Ministers

### INSTRUCTION Sl. No. 78

Election Commission's letter No. 437/6/ES0025/94/MCS dated 21.10.1994 addressed to Chief Secretaries and CEOs of all States and UTs.

#### **Subject: Election period-tours of ministers**

The Commission vide its letter No. 437/6/93-PS-II dated 31 st December, 1993 had reiterated the total and absolute ban on the use of official vehicles for campaigning, electioneering or election related travel during elections and had directed that there will be total ban on the use of any vehicles for any purpose connected with the election by any political party, the candidate or any other person connected with election.

2. The Commission vide its letter No. 437/6/94 dated 2nd February, 1994 had invited attention to the circular letter No. 10/17/89-M&G dated 1 st November, 1989 from the Ministry of Home Affairs on the tour of ministers in connection with the election campaign and had observed that those instructions were flouted with impunity and had therefore issued further instructions without, in any way overriding, modifying or affecting the instructions of the Ministry of Home Affairs dated 1 st November, 1989 referred to above.

3. The Supreme Court in its order dated 29th April, 1994 in a writ petition (Civil) No. 312 of 1994(State of Tamil Nadu versus Chief Election Commissioner and others) seeking exemption in the case of Chief Minister of Tamil Nadu had directed as follows :

*"While we are conscious of the effort being made by the Election Commission to ensure cleanliness of the electoral process and for the protection and ensuring of free and fair polls, we are afraid, the Election Commission cannot, as it seeks to do here, put out of consideration the security requirements of certain political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order. To confine the security to only the Prime Minister of the country, as the Election Commission has done, and to deny, as the communication dated 31 st March, 1994 seeks to do, to all other may not reflect a proper perception and appreciation of the problem. At all events, the Election Commission will have to take note of the statutory provisions. However, we should make one aspect clear. Having regard to the responsibilities and obligation of the Election Commission to ensuring purity of the electoral process, it is open to the Election Commission, if it has material to doubt that the assessments of the security requirement made by the Director of the Tamil Nadu Special Security Group under the status are so manifestly and unduly excessive as to amount to promotion indirectly, of partisan electoral interests, to bring such matter to the notice of the State Government for appropriate corrective steps."*

4. The Cabinet Secretariat in its letter No. 10/22/094-ES dated 3/5 May, 1994 had issued instructions that under the provisions of the Special Protection Group Act, 1988 protection is provided for proximate security of the following :

- (i) The Prime Minister and the members of his immediate family;
- (ii) Any former Prime Minister or the members of his immediate family for a period of 5 years from the date on which the former Prime Minister ceases to hold the office of Prime Minister.

5. In the light of the above order of the Supreme Court the Commission had substituted paragraph 3 of its letter No. 437/6/93/PS-II dated 31 st December, 1993 vide para 6 of letter of even number dated 8th May, 1994 to say that "the Commission has decided that para 3 of its above referred circular letter No. 437/6/93-P-II dated 31 st December, 1993 will stand substituted by the following :-

3(A) The only exceptions from the prohibitions mentioned in para 2 above will be the Prime Minister and other political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order and whose security requirements are governed by any statutory provisions made by Parliament or the State Legislature in this behalf.

3(B) The Commission would like to make it clear that having regard to its responsibilities and obligations to ensuring purity of the electoral process, the Commission, if it has material to doubt that the assessments of the security requirements made by the authorities under the above referred special enactments or any other special instructions of the Government are so manifestly or unduly excessive as to amount to promotion, indirectly, of partisan electoral interests, bring such matter to the notice of the Central Government and/or, as the case may be, the State Government for appropriate corrective steps.

3(C) For achieving this, the Commission may call for any information from the Central Government or the State Government concerned with regard to the assessment of the security requirements made in respect of any such personality. Such information shall be furnished to the Commission by the concerned Government forthwith."

6 It was further clarified by the Commission in its letter No. 437/6/94 dated 14th May, 1994 that all State Governments and the Union Territory Administration are requested to adhere strict strictly to the orders of the Supreme Court. Further, orders relating to security of the individuals issued under statutory powers or other powers must be fully honored.

7. The Commission has further directed that when such individuals visit State/Constituency for electioneering and election related work, the expenditure incurred on security arrangements like barricading/ rostrums etc. shall be borne by the concerned political parties.

Election Commission's letter No. 437/6/96/PLN-III/, dated 17.01.1996 to addressed to the Chief Secretary (All States & Union Territories) Repeat The Chief Electoral Officers (All States & Union Territories)

### **Subject: General Elections - Tours of Ministers**

I am directed to state that the Ministry of Home Affairs, Government of India vide their Circular No. 10/17/89-M & G, dated November 1,1989 have reproduced the summary of their instructions on the tour of Ministers in connection with the election campaign. These instructions inter alia lay down some specific formalities to be observed separately for official and private tours of the Ministers of Government of India during the period of electioneering particularly in the context of the fact that such tours generally overlap. A copy of the abovementioned circular of the Ministry of Home Affairs dated November 1,1989 is enclosed at Annexure I.

2. The Commission has been keenly watching the observance of the aforesaid instructions of the Ministry of Home Affairs by the Ministers both of Central Government and of the Government of State in which elections are held, as well as some other neighboring and other States whose Ministers pay visits to the States having elections during the period of electioneering. The Commission is constrained to observe that not only the spirit and letter of the aforesaid instructions of the Ministry of Home Affairs are vague, equivocal and permissive in nature, they are flouted with impunity and misused with flagrant disregard to the image of impartiality which persons in high public office must cultivate and preserve during the period of election in order to maintain the purity of the election process and insulate the free right of franchise to be exercised by the voters from the manipulative tactics of the privileged ruling party both at Centre and in the State Governments.

3. During the elections superintended by the Commission in recent years the Commission has been at pains to observe that the Ministers in their capacity as Members of the ruling party at the Centre and in some States misused the government owned machinery including guest houses, and such like official infrastructures for the ostensible purpose of official visits for monitoring Government programmes with the covert intention of participating in the election campaign of their parties. Such Ministers are understandably accompanied, on the above described "official" visits, by functionaries of their political parties. No departmental officials are reported to be accompanying the Ministers on which visits and meetings as a result of which even semblance of an official visit is not maintained.

4. The Commission also observes with serious objection that local officers of the district administration and State Government who have also to perform statutory and other functions related to the conduct of elections are perforce made to attend on such Ministers in the name of administrative and security arrangements which further casts a suspicion on the much needed independence and impartiality of the election related officers.

5. In the above circumstances, the Commission in exercise of the plenary powers vested in it by virtue of Article 324 of the Constitution and all other powers enabling it in this behalf, has decided to issue its own directions in the interest of fair and free poll.

6. These instructions of the Commission do not in any way over-ride, modify or are affected by the instructions of the Ministry of Home Affairs, Government of India No. 10/17/89-M&G dated 1 st November, 1989 referred to above. The Commission directs in supersession of its earlier instructions, as follows:-

6.1 Henceforth no Minister either of Central or State Government shall undertake an official visit of any constituency from which elections have been announced by the Commission during the period commencing with the announcement of the elections upto the end of the election process.

6.2 The Commission also directs that no Minister will summon any election related officer of the constituency or the State in which any elections have been announced, to a place or office or guest house outside the aforesaid constituency for any official discussions during the period of elections commencing with the announcement of the elections from such constituency and ending with the completion of election process.

6.3 The only exception to these instructions will be when a Minister, in his capacity as incharge of the concerned department, or a Chief Minister undertakes an official visit to a constituency, or summons any election related officers of this constituency to a place outside the constituency, in connection with failure of law and order or a natural calamity or any such emergency which requires personal presence of such Ministers/Chief Ministers for the specific purpose of supervising review/salvage/relief and such like purpose.

7. It is clarified that the Ministers are entitled to use their official vehicles in their headquarters from their place of residence to their office for official work provided that such commuting is not combined with any electioneering or any political activity.

8. Any violation of these instructions will be viewed as gross infringement not only of the Model code of Conduct but also of the authority of the Commission to promulgate such directions as it considers necessary to ensure peaceful, fair and free poll reflective of the true choice of the people, and will be visited with grave consequences as considered appropriate by the Commission on the merits of the specific circumstances.

### **Subject: Tours of Union Minister of Railways**

Please refer to your letter no. 2004/G/32/1 dated 25.12.2004 seeking clarifications on following points.

1. When Hon'ble Minister of Railways is required to return from Patna to his Headquarters at Delhi for attending matters relating to the Railway Budget or attend Cabinet Meetings and Meetings of the Sub-Committees of the Cabinet; can his visits to Delhi be treated as official;
2. Whether the Hon'ble Minister of Railways can make an official visit from Patna (where he is doing political campaign) to Kolkata for attending various railway programmes in West Bengal. Whether such a journey from Patna to Kolkata and the visit of the Minister to various places in West Bengal by a Helicopter for attending railways functions can be treated as official.
3. Whether Hon'ble Minister of Railways can avail of his Identity Card/Privileges of Air Journeys as a Member of Parliament and as Union Minister for undertaking train/air journeys for going to Patna for political work and return to Headquarters at Delhi.

The Commission has considered the matter and issues raised are clarified as follows.

2. The Hon'ble Minister cannot combine his political or personal visit to Patna with official visit to Kolkata or elsewhere, even if, he pays the money for the entire trip himself. The Hon'ble Minister will have to return to his Headquarters to start the official journey. Under no circumstances, political or personal visits of the Ministers of the Union or State Government to the State of Bihar or Jharkhand or Haryana can be combined with official visits to any other place in India.
3. The Hon'ble Minister can avail of normal privileges of free railway / air pass as available to Members of Parliament, but he is not entitled to take benefit of privileges as Union Minister for Railways for train/air journeys for going to Patna and returning to Headquarters at Delhi.

3. Commission's Letter No 437/6/4/2003-PLN-III dated 12.06.2003

I am directed to state that Ministers may be undertaking visits to the State(s) where election is being held or have been announced and the provisions of Model Code of Conduct are in force, in connection with electioneering. The Commission, in order to ensure a level playing field which is a precondition for free and fair elections, has issued instructions from time to time governing such tours of ministers and has prescribed certain guidelines to ensure that the official machinery is in no way engaged in any election related work by such touring dignitaries. These have been upheld by the Supreme Court of India in the case of Narendra Kumar Gaur vs. Election Commission of India in Writ Petition No. 339 of 1999 on 16.08.99.

2. The Commission's instructions contained in the letters mentioned at the reference above have been consolidated for the sake of convenience in the following paragraphs :-

(1) If a Minister of the Union is traveling from his/her headquarters to a poll bound state/district on purely official business, which cannot be avoided in public interest, then a letter certifying to this effect should be sent from the Secretary of the department/ministry concerned of the Government of India, to the Chief Secretary of the state which the Minister intends to visit, with a copy to the Commission. On receipt of such information from the Secretary that the Union Minister is proposing a purely official visit and no political activity of any kind is envisaged during such tour, the Chief Secretary may provide the Union Minister with a Government vehicle and accommodation and extend other usual courtesies for his official trip. While doing so, the Chief Electoral Officer of the State, who is entrusted with the task of monitoring of electoral activity in the State, including the implementation of the Model Code of Conduct, shall be alerted in advance by the Chief Secretary. The Commission will keep watch on such arrangements in consultation with its Chief Electoral Officer. It is hoped that the Union Ministers will avoid making official visits to their home States, Constituency state and particularly to the constituencies from

where they are contesting elections while it is open for them to make private visits (See ECI instruction No. 437/6/99 – PLN III dated 15.07.99)

(2) The Commission also directs that –

(i) No minister of State Government shall undertake an official visit to any constituency for which elections have been announced by the Commission during the period commencing with announcement of the elections upto end of the election process.

(ii) Minister will not summon any election related officer of the constituency or the State in which any elections have been announced, to a place or office or guest house inside or outside the aforesaid constituency for any official discussions during the period of elections commencing with the announcement of the elections from such constituency and ending with the completion of election process.

(iii) The only exception to these instructions will be when a Minister, in his capacity as in charge of the department concerned, or a Chief Minister undertakes an official visit to a constituency, or summons any election related officers of the constituency to a place outside the constituency, in connection with failure of law and order or occurrence of a natural calamity or any such emergency which requires personal presence of such Ministers/Chief Ministers for the specific purpose of supervision review/salvage/relief and other similar purposes. (See ECI instruction No. 437/6/96/PLN III – dated 17.01.96)

(3) It is clarified that the Ministers are entitled to use their official vehicles in their headquarters from their place of residence to their office for official work provided that such commuting is not combined with any electioneering or any political activity which would include a visit to party office even if it were enroute. No pilot car(s) or car(s) with beacon lights of any colour or car(s) affixed with sirens of any kind making his presence conspicuous shall be used by any Minister during his/her electioneering visits, even if the State administration has granted him a security cover requiring presence of armed personnel to accompany him on such visit. (See ECI instruction No. 437/6/96/PLN III – dated 17.01.96)

(4) During **bye elections** from any constituencies, either Parliamentary or Assemblies, the following restrictions will be applicable with regard to the tours of Ministers subject to exceptions mentioned above in para 2(iii) covering situations of grave emergency:-

(i) All Ministers, whether Central or State, shall not combine in any manner their official tours with election work after the announcement of the bye elections. They shall return to their headquarters on completion of their official tours. All and any visits to the district(s) where bye-election is being held and where Model Code of Conduct

is, therefore, in force, have to be completely private in nature and such private visits should begin and end at the Minister's headquarters.

- (ii) In case where a Minister traveling on official work transits through the district(s) where the bye-election is being held en route to any other district on official visit, he/she shall not halt in the district(s) where Model Code of Conduct is in force and shall not attend to any political work.
- (iii) No official of any rank of the district(s) where the bye-election is being held, shall be called to attend any meeting by any Minister in any district, that is to say, even in other districts where election is not being held.
- (iv) Any official who meets the Minister on his private visit to the constituency where elections are being held shall be guilty of misconduct under the relevant service rules; and if he happens to be an official mentioned in Section 129 (1) of the Representation of People Act, 1951, he shall also be additionally considered to have violated the statutory provisions of that Section and liable to penal action provided thereunder.
- (v) No pilot car(s) or car(s) with beacon lights of any colour or car(s) affixed with sirens of any kind making his presence conspicuous shall be used by any Minister during his/her private visit to the constituency where a bye election is under way even if the State administration has granted him a security cover requiring presence of armed guards to accompany him on such visit. (See ECI instruction No. 437/6/4/2003 – PLN III dated 12.06.03)

(5) The Commission further directs that the Chief Electoral Officer of the State who is entrusted with the task of monitoring of electoral activities in the State including the implementation of Model Code of Conduct shall be kept informed in advance by the District Election Officer of any visit proposed to be undertaken by any Minister of the State Govt. or any Central Minister to the district where bye-election is being held and the Chief Electoral Officer shall forthwith communicate the same to the Election Commission. (See ECI instruction No. 437/6/4/2003 – PLN III dated 12.06.03)

3. Any violation of these instructions will be viewed as gross infringement not only of the Model code of Conduct but also of the authority of the Commission to promulgate such directions as it considers necessary to ensure peaceful, fair and free poll reflective of the true choice of the people, and will be visited with such action as considered appropriate by the Commission on the merits of the specific circumstances.

**Office Memorandum**

**Subject: General Election to Lok Sabha Tours of Minister in Connection with election campaign**

*The undersigned is directed to say that whenever elections to the Lok Sabha are held, questions are invariably raised in Parliament about the tours undertaken by the Ministers in connection with the election campaign. In reply, as a general policy it has always been made clear that according to existing instructions, tours in connections with election campaign are not to be treated as official tours and that the services of Government officials cannot be utilized for party of election work. The Ministry of Home Affairs have been issuing instructions regarding tours of ministers for non official purposes, including election tours from time to time. These instructions had been summarized and a copy thereof was laid on the Table of the Lok Sabha on 31 st July, 1970. As the general election to the Lok Sabha are due to be held in November, 1989 a copy of the summary of these instructions is enclosed with the request that its contents may be brought to the notice of the Ministers.*

*Instructions regarding the tours of Minister for non-official purposes including election tours, are contained in several communications issued and reissued from time to time.*

*General Instructions:*

*(1) Until a Minister demits office he is in charge of public affairs and accordingly even while on tours, whether for official or private purposes, he must continue to discharge the responsibilities as Minister Hence,*

*(a) he can take with him the minimum personal staff needed for this purpose and such staff is entitled to draw travelling and daily allowance under the rules; and*

*(b) when he visits any place, the district officers must arrange for normal courtesies and security.*

*(2) A Minister may claim travelling and daily allowance only in respect of tours undertaken for official purposes i.e. tours, actually necessitated by duties which he could not perform, at headquarters. If an official tour is combined with private business of the Minister, which includes party work, and he has to undertake any additional journey for this purpose, he is not entitled to any travelling allowance for the additional journey. If a Minister while on official tour devotes any day of his halt exclusively for private business he is not entitled to day allowance for that day.*

*Special instructions regarding election tours:*

*(3) Whenever a Minister decides that meeting which is going to be addressed by him as an election meeting he should ask for arrangements to be made on his behalf non-officially and not by Government Servants. During the election tours Government meetings would be rare and normally public meetings should be considered election meetings and all expenses except those relating to maintenance of law and order, borne privately.*

- (4) *The role of officials at election meetings should be confined to maintaining law and order and affording normal protection to Ministers.*
- (5) *No travelling expenses or daily allowance should be charged by Ministers for journeys, which have for their main purpose election campaign. It would be presumed that for some weeks prior to the poll, the activities of Ministers on tour are much more concerned with elections than with their official duties.*
- (6) *A journey undertaken by a Minister for filing nomination papers and subsequent tours to his constituency should be regarded as being for election purposes.*
- (7) *If a Minister who has proceeded to his constituency for election purposes at his own expenses, has to proceed to some other place on duty, he may draw travelling allowance limited to the amount admissible from his headquarters to the other place and back to headquarters. If he had to return to headquarters from his own constituency in public interest by interrupting his election work, he may only claim the return air or railway fare. Public interest shall naturally include attendance at all Cabinet Sub- Committee meetings. Other meetings or conferences at headquarters should be avoided as far as possible.*
- (8) *Where a Minister has been provided with a car exclusively at the expenses of the State, the car should not be used for election purposes. Even where a car is provided by the State but the Minister is given an allowance for maintenance of the vehicle, it is not desirable to use such vehicle for election purposes.*

ECI letter No.437/6/INST/2008-CC&BE dated 18th February, 2009 addressed to the Chief Electoral Officers of all States and UTs

**Subject: Model Code of Conduct – Compliance in letter and spirit under Section 77 of RP Act, 1951- regarding.**

A copy of a letter sent to all recognized National and State political parties, regarding adherence to the provisions of the Model Code of Conduct, Election Law, IPC etc. in connection with electioneering, which is self-explanatory, is enclosed.

2. In this context, the Commission has directed that the following actions are required to be taken on the part of the Chief Electoral Officers/District Election Officers/Returning Officers/Observers:-

(i) The campaign by the leaders specified under Section 77(1) [star campaigners] should be meticulously tracked. Any violation committed by candidate set up by recognized parties or by the star campaigners during campaign should invariably be reported to the Commission for immediate follow up action at the level of the Commission so that the action receives required visibility.

(ii) The Chief Electoral Officers and District Election Officers shall maintain a party-wise register to track the instances of violations being committed by various candidates and campaigners of various political parties. This should be a sort of daily register indicating names of the candidate, campaigner and political party. Brief description of violation, date of violation, follow up action taken and the order passed by any election official/the Commission, if any.

(iii) The above document (violation index) should also to be put in public domain so that interested parties including the media can pick up the input and this may work as a deterrence for the candidates and political parties against indulging in any violation.

3. These instructions may be brought to the notice of the District Election Officers and Returning Officers in the State. A copy of the enclosed letter addressed to the political parties may be handed over to each of the political parties based in your State/Union Territory, including registered unrecognized parties.

**ENCLOSURE**

ECI letter No.437/6/INST/2008-CC&BE dated 18th February, 2009 addressed to all Recognized National and States Political Parties

**Subject: Model Code of Conduct – Compliance in letter and spirit- regarding.**

The Model Code of Conduct for political parties and candidates comes into force immediately on announcement of elections. During the electioneering, several instances of violation of the provisions of the Model Code of Conduct come up for decision of the Commission. Incidents of violation are reported against individual functionaries/leaders of political parties apart from candidates themselves. Communal/religious references in election campaign, character assassination, use of religious places for election purpose, bribing of electors, etc. are some of the most commonly reported cases of violation by candidates and representatives of political parties.

When cases of violation of Model Code of Conduct or provisions of law are brought to its notice, the Commission, in appropriate cases, issues notice to the person concerned. If the violation is attributed to important leaders of political parties, notices are also issued to the political party concerned. *For clarity and uniformity in such matters, the Commission has decided that in future, in cases involving violation of Model Code of Conduct or any provision of law by any candidate duly set up by the party, or by the leaders of political parties whose names have been communicated by the party to the Election Commission/Chief Electoral Officer in terms of Explanations 1 & 2 under sub-section (1) of Section 77 of Representation of the People Act, 1951, if notice is issued to any such leader, or any candidate of the political party, a notice will also be issued to the political party concerned. It may be noted that leaders are nominated by the political parties under the aforesaid Explanation Clauses 'for propagating programme of the political party'. Therefore, it would only be reasonable and logical to hold the political party concerned responsible for any act of omission or commission by such leaders. In this context, attention of political parties is also invited to the provisions of paragraph 16A of the Election Symbols (Reservation and Allotment) Order, 1968.*

In view of the above, all political parties are advised to appropriately brief the leaders nominated by them, so that the Model Code of Conduct and provisions of law are followed in letter and spirit by all concerned.

If any other political dignitary is allowed to accompany the SPG protectee, if the situation so warrants, then 50% of the cost of propulsion shall be booked in the election expenditure of the Party candidate from the particular Constituency concerned as already clarified in Commission's letter No. 437/6/INST/2008-CC&BE dated 31<sup>st</sup> October, 2008. 4. It is further clarified that where the political functionary provided with bullet proof car is a 'Star Campaigner' in terms of Explanation (2) to Section 77(1) of the Representation of the People Act, 1951, the expenditure on the use of bullet proof car would not be deemed to be expenditure incurred or authorized by any candidate.

Election Commission's letter No. 576/17/84 dated 09.11.1984 to (1) The Cabinet Secretary, Government of India, Cabinet Secretariat, New Delhi. (3) The Secretary to the Government of India, Ministry of Home Affairs, New Delhi, and (4) all Chief Electoral Officers.

**Subject: Payments out of the discretionary funds on the eve of General Elections  
or Bye-Elections**

I am directed to State that the Supreme Court in Civil Appeal No. 1632 (NCE) of 1967 (Ghasi Ram Vs. Dal Singh and Others) had observed as follows:-

"Although we have held in this case that the action of the first respondent cannot be characterised as not innocent, we are constrained to say that the attitude of Government is far from laudable, Election is something which must be conducted fairly. To arrange to spend money on the eve of elections in different constituencies, although for general public good, if when all is said and done is evil practice, even if it may not be corrupt practice. The dividing line between an evil practice and corrupt practice is a very thin one. It should be understood that energy to do public good should be used not on the eve of elections but much earlier and that even slight evidence might change this evil practice into corrupt practice. Payments from discretionary grants on the eve of elections should be avoided."

The Commission had earlier recommended to the Central and State Governments to issue necessary instructions so that ministers and other authorities do not sanction grants/payments out of the discretionary funds on eve of elections. The "Model Code of Conduct for the guidance of Political Parties, candidates and Governments" evolved by the Commission also inter alia is designed to discourage such grants/payments.

The Central/State/Union Territory Government must have either issued suitable instructions or been following certain wholesome conventions in this regard.

It is requested that these instructions or conventions may be observed both in letter and spirit at all elections - General or Bye-elections.

2. The Commission may please be informed of the action taken in the matter.
3. The earlier communication of the Commission in its letter No. 576/17/79 at the 10th October, 1979 may be treated as superseded.
4. The receipt of this letter may be acknowledged.

I am directed to invite a reference to the Election Commission's Circular letter No. 82/HN/24/67, dated June 25, 1968 addressed to all the Ministries of the Government of India and Chief Secretaries to the State Governments regarding payments of Ministers from their discretionary grants on the eve of elections. After a careful consideration of the Commission's suggestion, the Government of India have, decided that instead of making a provision in the rules regulating the disbursements from the Discretionary Grants, a convention should be adopted that for a period of three months immediately prior to a polling in a general election mid-term election or bye-election in any constituency no expenditure should ordinarily be incurred from a Ministries Discretionary Grant. A copy of this Ministry's letter No.50/3/68-Poll.III, dated 28-10-1969 addressed to all the Secretaries to the Government of India is enclosed. The State Governments/Union Territories may wish to adopt a similar convention.

Secretary

My dear .....

Please refer to Election Commission's Circular letter No. 82/HN/24/67, dated June 25,1968 (Copy enclosed) addressed to all Ministries of the Government of India & Chief Secretaries to State Governments regarding payments by Ministers from their Discretionary Grants on the eve of elections. The Commission's suggestion that payments out of the discretionary grants on the eve of a countrywide general election, a mid-term general election or a bye-election should be avoided has been carefully considered, and Government agree with this suggestion. However, we consider that instead of making any specific provisions in the rules regulating disbursements from the Discretionary Grants, a convention should be evolved that for a period

of three months immediately prior to the polling in a general election, midterm election or bye-election in any constituency no expenditure should ordinarily be incurred from a Minister's discretionary grant except in a case where it becomes absolutely necessary on compassionate grounds.

2. It is requested that this convention may be strictly observed in respect of the discretionary grants at the disposals of the Ministers. I shall be grateful if you put up this matter for the information of your ministers.

3. This issues with the approval of the Prime Minister.

**Subject: Payments from discretionary funds on the eve of elections**

Sir;

I am directed to enclose a copy of the relevant extracts from the judgment of the Supreme Court in Civil Appeal No. 1632 (NCE) of 1967 against the order of the High Court for the States of Punjab and Haryana in election petition No. 24 of 1967 and to state that in the interest of purity of elections, the Commission is in respectful agreement with the view expressed by the Supreme Court that the distribution of money from the discretionary grants on the eve of an election should be avoided. Although such disbursement may be for the general public good, it is an evil practice even if it may not be a corrupt practice. The Court has observed that the dividing line between an evil practice and corrupt practice is a very thin one. It would be understood that the energy to do public good should be used not on the eve of elections but much earlier and that even slight evidence might change this evil practice into corrupt practice".

2. Similar pronouncements have been made by the Courts in certain other cases also. The relevant extracts from the judgments are reproduced below:-

(a) Shri Khader Sheriff Vs. Munnuswami Gounder: (1955) (Supreme Court).

"It has been frequently pointed out that while it is meritorious to make a donation for charitable purposes, if that is made at the time, or on the eve of an election, it is open to the charge that its real object was to induce the electors to vote in favour of the particular candidate".

(b) In the Wigan case, (2 O'M&H) Justice Bowen, J., one of the most noted judges of England in the second half of the nineteenth century had observed - "In the second place, I wish to answer the suggestion that this was merely charity. Charity at election

times ought to be kept by politicians in the background. No doubt the distress was great in Wigan at this time, and there was probably many a fireless and breedless house throughout the town; but the persons who ought to have relieved the distress were not politicians of Wigan; they ought to have stood aloof; they had another duty to discharge on that day and they could not properly discharge both duties at the same time. In truth, I think, it will generally be found that the feeling which distributes relief to the poor at the election time, though those who were the distributors may not be aware of it, is really not charity, but party feeling following in the steps of charity, wearing the dress of charity, and mimicking her gait."

3. While in the interest of the general good of the public it may be necessary to place discretionary grants at the disposal of the Ministers, certain restrictions should be imposed, either by providing in the rules governing the disbursement of the grants or otherwise, that payments out of the discretionary grants should not be made when a countrywide general election, or a mid-term general election or even a bye election is in prospect and in any case it should not be made after the notification calling any such election is issued. The rules may also require that the benefits are, as far as possible, uniformly distributed within the State and not utilized in a particular district or constituency alone.

4. The Commission desires that in the interest of fair and free elections certain healthy conventions should be introduced and if necessary, changes should also be made in the rules regulating the distribution of discretionary grants by Ministers so that no disbursement or promise of disbursement from the grant is made on the eve of an election. I am, therefore, to request that the observations made by the Supreme Court and the High Court of Punjab and Haryana may be brought to the notice of the authorities concerned for such action as may be considered necessary.

The receipt of this letter may kindly be acknowledged.

Ghasi Ram ----- Appellant  
Versus  
Dal Singh & Others Respondents

Judgement

xx

xx

xx

xx

Under the first head of charges it is stated that he promised a payment of Rs. 20,000 to the Gram Panchayat, Igra Rs. 5,000 on February 15, 1967 for a sacred tank in village Ram Rai; Rs. 1,000 on January, 9, 1967 to the Gram Panchayat, Bhamanwas; Rs. 2,500 in December, 1966 to the Gram Panchayat, Bibipur and Rs. 500 each on January, 9, 1967 for public utility work to the Gram Panchayat, Ram Rai, Dhanak Community Centre at Lajwana Kalan, the Balmiki Harijan Community Centres at Village Mehra and Rs. 500 for the repair of the Harijan well and Lajwana Khurd. It is said that before these grants were made the Minister visited these several villages and the voters told him that they were not going to vote for him as he had done nothing for their uplift and on his promising the said sums the voters were won over with the result that the answering respondent secured the bulk of the votes from these villages. The High Court carefully considered the evidence led to prove these allegations and came to the conclusion that it fall short of the requirements of S. 123 of the Act. It is contended before us that the High Court was in error in reaching this conclusion both in point of fact and in point of law. We shall first dispose of the facts before proceeding to examine what we consider to be the corrupt practice in this context.

The donation to the Gram Panchayat, Igra is attempted to be proved through the evidence of one Mehtab Singh (RW. 10)). He stated that the answering respondent, as Chairman of Block Samiti had promised Rs. 5,000 but had not paid it. When he came for canvassing, the voters were unwilling to vote for him because he had not kept his promise. He then persuaded them and promised to pay some Money if they gave him their support. The High Court pointed out that this witness was a discharged Sub-Inspector and the polling agent of the election petitioner. He was found to be telling lies when he said that the amount was received 7 days after the promise, because the record clearly showed that this money was paid only in March, 1967, more than a month after the poll. Lakhi Ram (RW. 5) admitted that there was a village school which was lying incomplete and money was needed for its completion. It will be noticed that this money was not paid directly to any voter or voters. It was handed over to the Gram Panchayat for utilization. This meant that it would have gone to the benefit of those who were to support the answering respondent and also those who were opposed to him. The High Court did not believe the evidence that there was any bargain for votes as required by the definition of corrupt practice. On a reading of the evidence we are satisfied that the village

community asked him for help and the answering respondent promised to help them to complete works of public utility. The amount was paid after the Election was over.

Similarly, the sum of Rs. 5,000 said to have been paid to Gram Panchayat, Ram Rai is proved through the evidence of Devi Dayal (RW. 11) and Mangal Singh (RW. 12). This money was sanctioned on December 8, 1966 even before the Congress had given ticket to the answering respondent. The evidence here also does not show that there was any bargain for votes. The two witnesses were proved to be hostile to the answering respondent. Devi Dayal was his rival candidate in 1952 and had made several applications against the answering respondent. The application for the Congress ticket was made by the answering respondent on December 6, 1966 and the grant being made on December 8, 1966 the evidence of Devi Dayal that the grant was after the nomination, was definitely false, Mangal Singh is the editor of a weekly journal, which published several complaints against the answering respondent. The answering respondent stated that he had collected Rs. 25,000 for the sacred tank even before he became Minister, that through his efforts a pucca road, a dispensary, a veterinary hospital, a post office and water works were established. Had also got a primary school upgraded. Ram Rai being his native village he was interested in the work of Panchayat and as there was water shortage he gave the village Panchayat this amount to help them to improve the sacred tank. The High Court did not find any evidence which would bring the matter within S. 123. It declined to believe these hostile witnesses and on a consideration of the evidence we are not satisfied that the conclusion was erroneous.

The sum of Rs. 1,000 was paid to the Gram Panchayat, Bahmanwas for a primary school. This was a month or a month and quarter before the election. This was ought to be proved through Ram Dutt (RW. 20). It is in evidence that Ram Dutt was very friendly with the election petitioner and even gave his truck for the use of the petitioner. Evidence further shows that the school building was without a roof for some time and the children used to sit under trees. We are satisfied that this amount cannot be described as a bribe.

There was no evidence to prove the payment of Rs. 2,500 to Bibipur and as none was brought to our notice this point was rightly decided against the election petitioner.

The 4 sums of Rs. 500 each were paid for improvement of Community Centres. The attempt to prove that they were a part of the bargain was discountenanced by the High Court. In respect of the amount paid to Lajwana Kalan the evidence was that of Ram Singh (RW. 13), the polling agent of the election petitioner, Shri Phula (RW. 14), whose demeanour was commented upon by the learned judge, and one of the candidates Mangeram (RW. 19) and Jailal (RW. 21), a helper of one other candidate. Their evidence was found to be unsatisfactory either because of the interest in themselves or in other candidates or because of internal discrepancies and defects. We have read the evidence and we see no reason to differ. In support of the other two payments of Rs. 500 each, the only objection raised before us was that the payments were made to the Ghanak and the Balmiki Communities with a view to obtaining their votes because, it was contended that there was no community centre at these villages. Evidence, however, shows that there are Paras at these villages where the Harijan Community meets. In fact, in the petition and the evidence these are referred to as community

Centres. This action of the answering respondent was not found to amount to a corrupt practice and on a considerations of the evidence we are in agreement with the High Court.

In our opinion the law requires that a corrupt practice involving bribery must be fully established. The evidence must show clearly that the promise of gift directly or indirectly was made to an elector to vote or refrain from voting at an election. The position of a Minister is difficult. It is obvious that he cannot cease to function when his election is due. He must of necessity attend to the grievances, otherwise he must fail. He must improve the image of his administration before the public. If everyone of his official acts done bonafide is to be construed against him and an ulterior motive is spelled out of them the administration must necessarily come to a stand still. The state of Haryana came into existence on November 1, 1966. With an election in the near future, the political party had to do acts of a public nature. The grant of discretionary grants were part of the general scheme to better community development projects and to remove the immediate grievances of the public. The money was required to be spent in about 3 months time. The sanction of the Minister had often the concurrence and recommendation of his subordinate staff. It is for this reason that the orders about the improvement of the supply of water were not pressed. They were incapable of being construed against the first respondent. Therefore, emphasis was placed upon the distribution of money. The money was not distributed among the voter directly but was given to Panchayat and the public at large. It was to be used for good of those for and those against the candidate. No doubt they had the effect of pushing forward his claims but that was inevitable even if no money was spent but good administration changed the People's condition. We cannot, therefore, hold that there was any corrupt practice. If there was good evidence that the Minister bargained directly and indirectly for votes, the result might have been different but there was no such evidence.

Although we have held in this case that the action of the first respondent cannot be characterised as not innocent, we are constrained to say that the attitude of Government is far from laudable. Election is something, which must be conducted fairly. To arrange to spend money on the eve of elections in different constituencies, though for general public good is when all is said and done an evil practice, even if it may not be a corrupt practice. The dividing line between an evil practice and a corrupt practice is a very thin one. It should be understood that energy to do good should be used not on the eve of elections but much earlier and that slight evidence might change this evil practice into corrupt practice. Payments from discretionary grants on the eve of elections should be avoided.

Election Commission's letter No. 437/6/1/2004-PLN III, dated 11.08.2004 addressed to the Chief Secretary to the Government of Maharashtra and the Chief Electoral Officer of Maharashtra.

#### **Subject - General Election to the Maharashtra Legislative Assembly- Posting of officers- Judgment of Maharashtra Administrative Tribunal Mumbai, Aurangabad Bench- Regarding**

Kindly refer to Commission's letter of even no. Dated 5th August 2004 (Enclosed for ready reference) whereby Commission has issued exhaustive guidelines to ensure that those officers, who are connected with the conduct of elections in the State, do not serve in their home districts as well as the officers who have worked for four years or more in same district be transferred out in the interest of free and fair General Elections to Maharashtra Legislative Assembly. In this connection, I am directed to invite your attention towards Maharashtra Administrative Tribunal Mumbai, Aurangabad Bench order dated 22-06-2004. in OA No. 222 of 2004 in the matter of Ramchandra Bapurao Pawar Vs State of Maharashtra and Ors. In the aforesaid O.A the Election Commission of India was impleaded as respondent no. 3. Though the said O.A has been dismissed, the Hon'ble Tribunal has made certain observations at para 11 of its order dated 26.6.2004 which are as under:-

*"The elections of the Parliament admittedly were declared somewhere in the month of January or February 2004 and the Election Commission adopted a particular policy, as far as the postings and transfers of the Government employee at a particular station. Exhaustive guidelines were issued by him on 11.02.2004 enumerating specifically therein that, all the officers who are connected with conduct of the election and who are having the hometown, where they are posted, or the officer who completed tenure of four years at the station, shall be transferred from the station. The Election Commission and the executives of the State Govt. were under obligation to implement this scheme faithfully and sincerely. I however, feel it was nothing but for a farce to lay down particular guidelines, so as to transfer particular employee under the garb of such scheme and to retain the others in whom the vested interest was involved. The best example made out by the applicant is of Shri D.M. Borude- the Deputy Collector (E.G.S.). He was belonging to Ahmednagar district. His post of Deputy Collector of the E.G.S. was already notified as an Assistant Returning Officer. The Collector, Ahmednagar made a proposal to transfer him on*

26.3.2004. He however, was retained at the station for the unknown reason. The applicant further made out the instances of S/Sh. Dangde, Lavande, Jare etc. and alleged that all of them are resident of Ahmednagar district. Shri Lavande was working as Deputy District Election Officer. Despite it, they were not displaced from the station. This is a reason as to why I use the word 'farce' in adopting a particular policy by the Election Commission. The policy was adopted with a view to implement it, looking to the faces and not otherwise. As a matter of fact, the Election Commission is an autonomous authority. He decided to achieve the fair results of the elections. He had admitted the policy to transfer the officers, who are posted in the hometown or who completed tenure of four years. The said policy however, was not sincerely implemented, or that, some element who were malafide played mischief and made incorrect proposal. I feel that the Election Commission, who is an autonomous authority, shall see that his subordinate officers and especially the executives do not take the disadvantage of the situation under the grab of the elections. If the Election Commissioner tolerates and ignores such instances, the mischievous and mala fide elements would abuse their powers, may be for extraneous consideration, and the officers having no approach would be the sufferers and victim. I would be justified to propose to the Election Commission to consider the aspect with some seriousness and shall take appropriate action in the matter."

The Commission has taken a serious view of the way its instructions have been misused and desires the State Administration and the Chief Electoral Officer should be more vigilant to ensure that such lapses do not occur in future.

This may be brought to the notice of the Government, all Ministries/Departments and all other offices of the Union Government and the State Government of Jammu and Kashmir.

3. Your particular attention is drawn to clause VII (vi) of Model Code, which, inter-alia, states:-

**Subject: -The Commission's instruction on Posting of Officers dated 04-02-09 - clarifications regarding.**

I am directed to invite your attention to the instruction of even number dated 4<sup>th</sup> February, 2009 and to state that some clarification has been sought during the conference of Chief Electoral Officers and the Commission' meeting with the Chief Secretaries.

The Commission has considered the issue in detail and has decided to issue further guideline in this regard as below: -

There may be cases where it may be difficult to affect the transfer of Police Officer who are in-charge of Thana in compliance of the policy laid down in the abovementioned instruction of the Commission in big Metro cities/smaller states having less number of districts. In such cases the territorial consideration for such police officer may be sub-division as an exception. In rest of the other cases the territorial jurisdiction may be district with prior approval of Commission.

A question has been raised whether this instruction is applicable for the Sub-Inspector of Police. It is clarified that, where the Sub-Inspector of Police is in-charge of Thana, he is covered by this instruction and hence is required to be transferred as per guideline laid down above.

## **INSTRUCTION Sl. No. 97**

ECI letter No.437/6/1/2014-CC&BE dated 09.01.2014 addressed to the Chief Secretaries and Chief Electoral Officers of all States and Union territories

**Subject: General Election to the House of People (Lok Sabha), 2014- Posting of Officers – reg.**

As you might be aware that the General Election to the House of the People (Lok Sabha), 2014 is to be held shortly. The Commission, in its task of conducting free and fair elections has followed the consistent policy to ensure that officers, who are connected with the conduct of elections in the States, do not serve in their home districts or places where they have served for long and decided that **no officer connected with elections, directly or indirectly, should be allowed to continue in the present district of posting:-**

**(a) If she/he is posted in her/his home district.**

**(b) If she/he has completed three years in that district during last four years or would be completing 3 years on or before 31.05.2014.**

It has been observed that the cut off date prescribed by the Commission has not been scrupulously followed by some State Governments. The Commission has therefore stressed that all the State Governments should strictly follow the cut-off date prescribed for calculating the three year period. Accordingly the 3 year period may be reckoned backwards from 31.05.2014.

(ii) These instructions cover not only officers appointed for specific election duties like District Election Officers, Deputy District Election Officer, Returning Officers and Assistant Returning Officers but also other district officers like Additional District Magistrates, Deputy Collectors, Sub-Divisional Magistrates, Tehsildars, Block Development Officers or any other officer proposed to be deployed for election work.

As far as officers in the Police Department are concerned, these instructions shall be applicable to the Range IGs, DIGs, Commandants of State Armed Police, SSPs, SPs, Addl. SPs, Sub-Divisional Head of Police, Inspectors or equivalent ranks who are responsible for deployment of police force in the district at election time. The police officials who are posted in functional departments like computerization; special branch, training, etc. are not covered under these instructions. Apart from these, the Police Officers of the level of Sub-Inspectors should not be posted in their home Assembly Constituencies. The Police Officers of the level of Sub-Inspectors should be transferred not only out of their police Sub-divisions but also out of the Assembly

Constituency if they have completed a tenure of three years during last four years in that sub-division or would be completing 3 years on or before 31.5.2014.

(iii) The Commission further desires that a detailed review may, therefore, be undertaken in all districts, and all such officers be posted out of their home districts or out of the district where they have completed or will complete, on the aforesaid date, tenure of three years out of the last four years, immediately. While moving such officers, care should be taken that they are **not posted to their home districts.** While calculating the period of three years, promotion to a post within the district is to be counted. While carrying out this review it must be borne in mind that these instructions do not apply to officers posted in the State headquarters of the department concerned.

(iv) The Commission also desires that the officers/officials against whom Commission has recommended disciplinary action or who have been charged for any lapse in any election or elections related work in the past, shall not be assigned any election related duty.

(v) The Commission further desires that no officer/official against whom a criminal case is pending in any Court of Law be associated with the election work or election related duty.

(vi) The Commission has in the past received complaints that while the State Government transfers officials in the above categories in pursuance of the direction issued by the Commission, the individuals try to circumvent the objective by proceeding on leave and physically not moving out of the district from which they stand transferred. The Commission has viewed this seriously and desires that all such officials who stand transferred in pursuance of the instructions referred to above shall be asked to move physically out of the district from which they stand transferred immediately on receipt of the transfer orders.

(vii) Further, while implementing the above directions, the Commission desires that the Chief Electoral Officer of all the States/UTs shall invariably be consulted while posting the new persons in place of present incumbents who stand transferred as per this policy of the Commission. The copies of the transfer orders issued under these directions shall be given to the Chief Electoral Officer concerned without fail.

(viii) The transfer orders in respect of officers/officials, who are engaged in the electoral rolls revision work, if any, shall be implemented only after final publication of the electoral rolls, in consultation with the Chief Electoral Officer.

(ix) Any officer who is due to retire within coming six months will be exempted from the purview of the above-mentioned directions of the Commission. Further officers falling in

category (home/3+ criteria if they are due to retire within 6 months) shall not be engaged for performing election duties during the elections.

(x) It is further clarified that all the officials of the States/UTs who are on extension of service or re-employed in different capacities will not be associated with any election related work except those with the Office of the Chief Electoral Officers.

2. Details of the action taken may be intimated to the Commission for its information immediately and in any case not later than **15.02.2014**.

3. It has been observed in the past that during the General Election, numerous references are received from various States seeking clarification with reference to the applicability of transfer order to individual cases. The Commission directs that all these issues should be handled at the Chief Electoral Officer's level. Only when it is absolutely necessary, individual references should be forwarded to the Commission after considering all aspects at the Chief Electoral Officer's level with his/her specific recommendations.

4. The above instructions may be brought to the notice of all concerned for compliance.

### **Sub: General Election to the House of the People (Lok Sabha)-2014- Transfer/Posting of Offices- clarification-reg.**

I am directed to refer to this office letter of even number dated 9<sup>th</sup> January 2014 on the subject cited and to state that some State Governments have brought to the Commission's notice that the expression in the opening para of said letter, namely, "no officer connected with elections, directly or indirectly should be allowed to continue in the present district of posting" is causing difficulty in the matter of implementation in so far as the officers **indirectly** connected with elections are concerned as that would involve transfer of a large number of officers. They have therefore pleaded for the reconsideration of the said instruction. The matter has been considered by the Commission. Taking into account the views expressed by the State Governments, the Commission has decided to amend the said clause as "no officer connected **directly** with elections should be allowed to continue in the present district of posting". However, if prima facie any complaint is received with regard to officials who are **indirectly** connected with elections, Commission shall take appropriate action against such officials. It is clarified that officers appointed as **Sector Officers**, though directly involved in election duties **will not be covered under these instructions** as their duties are such that they are deployed in field duties where their knowledge of the area/terrain is crucial to their effective performance and therefore they will continue to be deployed in the present area/terrain. The CEO, DEO and RO should, however, keep a close watch on such officers during the election period to ensure that their performance is strictly impartial.

### **Sub: Bye-Election to the Parliamentary/Assembly Constituency(ies)- Transfer/Posting of Offices- reg.**

The Commission, in its task of conducting free and fair elections has followed the consistent policy to ensure that officers, who are connected with the conduct of bye-election in the States, do not serve in the areas falling in the Assembly/Parliamentary Constituency(ies) where they have served for long and is not their home constituency.

#### **2. Bye-election to the Assembly Constituency (ies):**

(2.1) The Commission, in supersession of existing instructions, has decided that no officer connected directly with the conduct of Bye-elections, should be allowed to continue in the present posting within the Assembly Constituency limits:-

- (i) If she/he is posted in her/his home Assembly Constituency limit;
- (ii) If she/he has completed three years during last four years or would be completing 3 years on or before **the last day of the sixth month from the date of occurrence of the casual vacancy.**

#### **Such officers shall be shifted out of the Assembly Constituency limit.**

(2.2) (i) These instructions cover Returning Officers and Assistant Returning Officers of the Assembly Constituencies going for bye-elections. These instructions will also cover other officers viz. Deputy/Assistant Collectors, Sub-Divisional Magistrates, Tehsildars and Block Development Officer located in Assembly Constituency Limits.

It is however clarified that officers appointed as Sector Officers, though directly involved in election duties **will not be covered under these instructions** as their duties are such that they are deployed in field duties where their knowledge of the area/terrain is crucial to their effective performance. The CEO, DEO and RO should, however, keep a close watch on them during the election period to ensure that their performance is strictly impartial.

(ii) As far as officer in the **Police Department** are concerned, these instructions shall be applicable to the Sub-Divisional Head of Police, Dy.SPs/Circle Officers, Inspectors, Sub-Inspectors or equivalent ranks posted in the field within the Assembly Constituency Limit.

(2.3) The Commission further desires that a detailed review may, therefore, be undertaken and all such officers be posted out of their home constituency limits where they have completed or

will complete, on the aforesaid date, tenure of three years in Assembly constituency limit out of the last four years, immediately. Further, for uniformity, the three year period shall be reckoned backwards from the last day of the sixth month as mentioned at para 2.1(ii).

### **3. Bye-election to the Parliamentary Constituency (ies):**

(3.1) The Commission, in supersession of existing instructions, has decided that no officer connected directly with the conduct of Bye-elections to the Parliamentary Constituency going for bye-election, shall be allowed to continue in the present posting within the Parliamentary Constituency limits:-

(i) If she/he is posted in her/his home district within the concerned Constituency limit;

(ii) If she/he has completed three years during last four years or would be completing 3 years on or before **the last day of the sixth month from the date of occurrence of the casual vacancy.**

#### **Such officers shall be shifted out of the Parliamentary Constituency limit.**

(3.2) (i) These instructions cover Returning Officers and Assistant Returning Officers of the Parliamentary Constituencies going for bye-elections. These instructions will cover only that District Election Officer who is designated as Returning Officer. Other District Election Officers, even if some part of their district falls in the Parliamentary Constituency going for bye-elections shall not be covered under these instructions. The instructions will however cover other officers viz. Additional Collector, Additional District Magistrate, Deputy Collectors, Assistant Collectors, Sub-Divisional Magistrates, Tehsildars and Block Development Officer located in Parliamentary Constituency Limit.

It is however clarified that officers appointed as Sector Officers, though directly involved in election duties **will not be covered under these instructions** as their duties are such that they are deployed in field duties where their knowledge of the area/terrain is crucial to their effective performance. The CEO, DEO and RO should, however, keep a close watch on them during the election period to ensure that their performance is strictly impartial.

(ii) As far as officer in the **Police Department** are concerned, these instructions shall be applicable to the Superintendent of Police located in the District whose District Election Officer is also the Returning Officer. Other Superintendent of Police, even if some part of their district falls in the Parliamentary Constituency going for bye-elections shall not be covered under these instructions. These instruction will however cover Additional SP, Sub-Divisional Head of Police, Dy.SPs/Circle Officers, Inspectors, Sub-Inspectors or equivalent ranks posted in the field within the Parliamentary Constituency Limit.

(3.3) The Commission further desires that a detailed review may, therefore, be undertaken and all such officers be posted out of their home constituency limits where they have completed or will complete, on the aforesaid date, tenure of three years in Assembly constituency limit out of the last four years, immediately. Further, for uniformity, the three year period shall be reckoned backwards from the last day of the sixth month as mentioned at para 3.1(ii).

4. The Commission also desires that the officers/officials against whom Commission has recommended disciplinary action or who have been charged for any lapse in any election or elections related work in the past, shall not be assigned any election related duty.

5. The Commission further desires that no officer/official against whom a criminal case is pending in any Court of Law be associated with the election work or election related duty.

6. The Commission has in the past received complaints that while the State Government transfers officials in the above categories in pursuance of the direction issued by the Commission, the individuals try to circumvent the objective by proceeding on leave and physically not moving out of the district from which they stand transferred. The Commission has viewed this seriously and desires that all such officials who stand transferred in pursuance of the instructions referred to above shall be asked to move physically out of the district from which they stand transferred immediately on receipt of the transfer orders.

7. Normally, bye-election is held to fill up a casual vacancy within a period of six months from the date of occurrence of vacancy (excepting a situation beyond control of the Commission). Hence, it would be advisable if the State Government initiates steps for implementation of these guideline immediately after occurrence of a casual vacancy in a constituency so that last moment dislocation of officers can be avoided.

8. Any officer who is due to retire within coming six months will be exempted from the purview of the above-mentioned directions of the Commission. Further officers falling in category (home/3+ criteria) shall not be engaged for performing election duties during the elections, if they are due to retire within 6 months.

9. Details of the action taken may be intimated to the Commission for its information.

10. These instructions will begin to apply from the Bye-elections announced by the Commission vide its Press Note No. ECI/PN/37/2014, dated 16<sup>th</sup> August, 2014, onwards and shall be applicable scrupulously in all the bye-election to the Assembly/Parliamentary Constituency (ies) that will be held from time to time.

Election Commission's letter No. 437/6/93 J.S. II, dated 31.12.1993, addressed to the (1) The Secretary to the Government of India Ministry of Civil Aviation and Tourism, Sardar Patel Bhawan, New Delhi (2) The Secretary, Railway Board, Rail Bhawan, New Delhi.

**Subject: General elections and bye-elections-special instruction to curb the misuse of free travel passes in the interest of free and fair elections.**

I am directed to state that instances have come to the notice of the Commission during the recently concluded general elections to the Legislative Assemblies of Himachal Pradesh, Madhya Pradesh, Mizoram, Rajasthan, Uttar Pradesh and National Capital Territory of Delhi where the free passes issued by the Railways and the Government Airlines have been misused to travel to and from the States/ constituencies/areas having the general elections. Issue of such passes enabled the holders to travel round the country free of cost and participate in election related activities and thus attempt to vitiate the holding of free and fair elections.

2. The Commission has decided that such activities should be stopped. Accordingly, the Commission has directed that in future no golden passes, free passes, confessional passes or any other types of passes be issued or allowed to be used for travel to and from the states/constituencies/area going to the polls during general elections/bye-elections. This ban will apply from the date of announcement of the general election/bye-election till the declaration of results.

3. No one shall be exempted from the ambit of the aforesaid ban. The only exception will be in the case of tour operators and travel agents.

4. Suitable instructions in the matter may be issued to all concerned for strict adherence during all future general elections/bye-elections. A copy of the instruction issued may be endorsed to the Commission.

Please acknowledge the receipt.

It has been brought to the notice of the Commission that several major tenders, auctions etc. relating to matters such as liquor vends, tendu leaves and other such cases are being processed currently. The possibility that some of these auctions might result in unfair advantage/disadvantage to the party in power/others cannot ignored.

2. The Commission, therefore, directs that in all cases where major such auctions etc. are to be held, they should be put off till the last date of completion of elections in the concerned areas and the State Government should make interim arrangements where unavoidably necessary.

It has come to the notice of the Commission that there are several instances of officers belonging to the Indian Administrative Service, Indian Police Service and other State Government Senior officials whose spouses are active in the political arena either as candidates in elections or as active members of political parties.

The Commission in the interest of free and fair poll, directs that in all such cases the concerned officers should not leave their Headquarters either on leave or on tour till the elections are complete in all respects.

If for some reason they are required to leave their Headquarters then specific written permission of the Chief Secretary has to be obtained before they leave their Headquarters during the election period who should ensure that such officers do not get involved in any way with the political activities of their spouses.

Receipt of this letter may kindly be acknowledged.

**Sub: Model Code of Conduct - waiving off of recoveries and bad debts by State Government financial institutions during election period - reg.**

As you are aware, in order to ensure a level playing field between contesting parties and candidates in elections and also in order to see that the purity of the election process does not get vitiated, the Commission has been issuing instructions under the Model Code of Conduct and other related statutes, rules, regulations, etc. The fountainhead of the powers under which the Commission issues these orders is Article 324 of the Constitution, which mandates the Commission to hold free and fair elections.

2. State Government institutions of several types are nowadays engaged in commercial and banking activities. The Supreme Court has observed in Kirpal Singh Vs Uttam Singh (AIR 1986 SC 300) that 'Nowadays the activities of the State are so manifold and prolific that the State has been forced, in the interests of better management and administration and in order to further the Directive Principles of State Policy, to set up various Corporations which are but mere instrumentalities of the State'. The Supreme Court has further observed in Satrucharla Chandrasekhar Vs Vyricherla Pradeep Kumar (AIR 1992 SC 1959) that the incorporation of a body corporate may suggest that it is independent of the government, but that would not be conclusive of the fact, as, sometimes, the form may be that of body incorporate independent of the government, but, in substance, it may just be an alter ego of the government. Accordingly, several State Government financial institutions are undertaking commercial and banking activities, like, granting loans, rescheduling the recovery of loans and, in many cases, writing off bad loans or defaulted loans. Whereas this normal activity of such State Government institutions may go on during non-election period these activities when the election process is underway, sometimes, get vitiated and are looked upon with suspicion by political parties, candidates and general public. It can not be gainsaid that the party in power which wields considerable influence over the government of the day and which is also contesting the elections to get back to power, can get bad or defaulted loans to be written off, giving rise to allegations that the person or the business house whose loan is being written off makes contributions to the party coffers to help them in their election campaign. There could also be the other abuse of a flurry of loaning activities of a populist nature aimed to garner votes, which would, in the long run, affect the health of the loaning institution itself.

3. Keeping the above ground position and the realities of the situation in view, the Commission is of the considered view that all financial institutions funded, partly or wholly, by the State Governments should not take recourse to writing off loans advanced to any individual, company, firm, etc. during the period when the Model Code of Conduct is in force, without the prior concurrence of the Commission. Similarly, the financial limits that these institutions have to adhere to while granting or extending loans should not be enhanced by issuing of loans indiscriminately to beneficiaries when the Model Code of Conduct is in force.

4. The above directive of the Commission should be brought to the notice of all the abovementioned financial institutions and other concerned immediately for their information and strict compliance. A copy of the instruction issued to them in this behalf may kindly be endorsed to the Commission for its information and record.

The receipt of the letter may kindly be acknowledged urgently.

Election Commission's letter No.437/6/3/2004-PLN-II, dated 19.02.2004 addressed to the Cabinet Secretary to the Govt. of India, Secretary to Govt. of India, Ministry of Home Affairs, Secretary to Govt. of India, Ministry of Urban Development & Poverty Alleviation and the Chief Secretaries/Chief Electoral Officers of all States and Union Territories

**Subject: Restrictions on eviction/demolition of unauthorized structures, etc. - regarding**

As you are aware, the 13<sup>th</sup> Lok Sabha has been dissolved and the General Election to the Lok Sabha alongwith simultaneous election to some State Legislative Assemblies is to take place shortly.

2. The Commission has been made aware that different agencies of the Government, responsible for urban affairs and other developmental projects, have been undertaking eviction drives leading to demolition of unauthorized structures, Jhuggi (JJ) clusters and relocation of people from one area to another. Such steps, wherever taken up, no doubt may have been the resultant actions after following the due process of law by the concerned agencies and sometimes even implemented on directions of a competent Court of Law. While the Commission fully appreciates the objectives of the Government agencies responsible for such actions in the management of their affairs, in the context of the General Election to the Lok Sabha alongwith simultaneous election of some State Legislative Assemblies, the Commission is concerned about the impact that such dislocation of people may have on the fidelity of the electoral rolls to be used in the ensuing elections.

3. The electoral roll is the basic document for the conduct of any election as it is the one on which the whole electoral process is founded. When a constituency is called upon to elect a member to the Lok Sabha or to the Legislative Assembly of a State, it means, in fact, that those electors who have been enrolled in the electoral roll are called upon to elect a member of the Lok Sabha or of a Legislative Assembly. Under Article 326 of the Constitution, every Indian citizen of the age of 18 years or above on the prescribed qualifying date is entitled to be registered as an elector in the elector roll of the Parliamentary and Assembly constituency in which he is ordinarily resident (unless he suffers from a prescribed disqualification). But the right to vote in such constituency is conferred by Section 62 of the Representation of People Act, 1951 only on those persons whose names are entered in the electoral roll of the constituency whose names are entered in the electoral roll for the time being in force in the constituency. Therefore, the electoral roll of the constituency has to be as accurate and up-to-date as is humanly possible for the conduct of free and fair elections. The electoral rolls for all the States

going to polls in future have been or are being finalized with reference to 1.1.2004 as the qualifying date and by now the electors ordinarily resident in any particular area are aware of the inclusion of their names in the relevant part of the electoral roll of the Assembly constituency concerned. Thus, whenever any eviction or demolition drive is taken up by a civic agency leading to dislocation of existing electors from their ordinary place of residence, the relevant part of the electoral roll of the Assembly constituency necessarily gets affected and becomes defective in as much as a large number of such dislocated electors lose their right to vote at the polling stations to which they have been assigned. In many cases, the electors so displaced as a result of the demolition or eviction drive get relocated in another area outside the assembly constituency in which they were ordinarily resident and cannot be included in time in the electoral rolls of the area where they have been relocated. Any election held on the basis of these defective rolls would thus deprive a substantially large number of electors who have been displaced from their places of ordinary residence of their franchise. Besides, these defective electoral rolls may also give an opportunity to unscrupulous elements to resort to bogus voting in the names of voters who have been shifted out on account of demolition or eviction drives carried out in a particular polling area/constituency. These factors would not only vitiate the fair and free election but may even materially affect the result of election in the constituency concerned.

4. The Commission has, decided in the interest of free and fair elections, and to maintain the fidelity of electoral rolls, that any demolition/eviction drives shall be temporarily suspended and shall not be carried out by any Government/civic agencies between now and the completion of the General Election. Wherever there are any problems in the implementation of the above decision of the Commission because of any orders issued by any Court of Law, the Government of the State or the Central Government, as the case may be, shall bring the matter to the notice of the Commission for appropriate directions to ensure due compliance with the Court's orders. In such cases of unavoidable dislocation, the Government shall place before the Commission all relevant facts, including a suitable rehabilitation plan, to enable the Commission to give appropriate orders in regard to the corrective steps to be taken by the electoral authorities concerned to ensure that such dislocated electors are not deprived of their voting rights.

**Subject: General Election to Gujarat Legislative Assembly, 2007- Security Covered to Ministers/Candidates - regarding.**

I am directed to invite your attention to para 2.5 of the Commission's standing directions/instructions as contained in its letter No. 437/6/96-PLN-III, dated 09.04.1996 which *inter-alia* provide that in respect of persons covered by security, the use of State owned one bullet proof vehicle for the particular person (PP) will be permitted in all cases where the security agencies, including the intelligence authorities, have prescribed such use. The cost of propulsion of such bullet proof vehicles where such use of bullet proof vehicles is specified will be borne by the particular person whether he is in office or out, and whether he is a candidate or not.

2. The Commission has further examined the matter and has decided to modify its existing instructions in para 2.5 of the its letter referred to above to the extent, as follows:- "2.5 Under the directives of the Government of India in the Ministry of Home Affairs, the persons provided with 'Z<sup>+</sup>' (Z plus) security cover are permitted the use of State owned one bullet proof vehicle for the particular person (PP). ECI letter No.437/6/INST/2009-CC&BE dated 9th March, 2009 addressed to the Chief Secretaries and Chief Electoral Officers of all States and UTs

**Subject: General Election to the Lok Sabha-2009-Presentation of Budgets- Model Code of Conduct – reg.**

As you are aware, the General Election to the Lok Sabha, 2009 has been announced by the Commission and Model Code of Conduct has come into force w.e.f. 2nd March, 2009. The Commission has received many references from various States in respect of the introduction of the Budget for the year 2009-10.

2. The Commission would like to point out the prevalent convention that is followed in most of the States is that instead of presenting full budget, only a vote on account is taken for 3-4 months in cases where a General Election is imminent or when the process of General Election has been announced and the Model Code of Conduct is in operation. It contributes to a healthy democratic practice.

3. The Commission, in deference to the State Legislatures, and having regard to such a convention and propriety, would not like to lay down a precept or prescribe a course of action. However, it would advise, in the case of States that are going for Assembly polls, that a vote on account should be taken.

4. The above instructions may be brought to the notice of all concerned and the receipt of this letter may please be acknowledged.

### **Subject: Permission for allotment of liquor vends/finalization of wholesale liquors sale during the period of operation of the Model Code of Conduct-regarding.**

References are being received in the Commission from several States requesting from permission to make allotment of liquor vends in the State in view of the Model Code of Conduct in operation now. In some cases, applications inviting tenders are sought to be published and in some cases permission has been sought for initiating action and for allotment through various processes including draw of lots, etc.

Each State has enacted a separated State Excise governing the allotment of liquor vends. From the references received in the Commission, it is observed that varying models exist in different States for the sale of liquor through the venders. In some States/UTs the State Govt. itself sells liquor through the outlets of the State run corporation/undertaking. In some other States, supplies liquor to the retail venders who are selected on the basis of applications by the Excise Department. There are also States where liquor contracts are awarded either at the State level or at the district level directly to the liquor through the system of tenders or by draw of lots on the price fixed by the Govt.

The contracts are annually awarded for the financial year. Some of the State Excise laws contain an enabling provision for extension by the Government of the contract for some period beyond the close of the financial year, whereas in some others, no such enabling provision is made in the existing law.

In view of the above position, the Commission has directed that the following procedure may be followed in the matter of allotment of liquor vends, during the period of operation of the Model Code of Conduct –

- (i) Where the extant Excise Laws of a State empower the State Govt. or the authorities thereunder to make an interim arrangement beyond the current financial year, pending arrangement, such interim arrangement may be made with the concerned contractor/vendors on the existing terms and conditions.
- (ii) Where no such enabling provision is available in the existing Excise Laws, the State Govt. may go ahead with the normal practice followed in the previous years strictly in accordance with the existing laws for the grant of new licenses/contracts for the ensuing financial year.

**Subject: General Election, 2009-Model Code of Conduct- briefing of CM/HM by police officers-reg.**

I am directed to state that the Commission has issued instructions to the effect that security briefings of Chief Minister or the Home Ministers when considered essential should be undertaken by the Home Secretary or the Chief Secretary, who in turn should be briefed by the police agencies. The instruction further state that in case where police agency's/official's presence is considered essential, the Chief Secretary/Home Secretary may require the police agency/official to be present in such briefings.

2. The spirit behind the Commission's instruction is to safeguard a free, fair and transparent election and provide a level playing field to all political parties as also to ensure that there is no scope for public complaints that the political executive/government of the day is misusing the government machinery for political purpose. It is reiterated that these instructions should, however, not be construed as any restriction to any **security related activity** of the law and order enforcing agencies. Therefore, in situations where it is so warranted, the law and order enforcing agencies should not take the plea of ECI instructions for any inaction or delay in action to be taken by them. Whatever is required under the circumstances, including informing the political executives by the DGP and taking directions from them, should be undertaken by the police agencies in the bonafide performance of their duty or exercise of their authority.

This may be brought to the notice of all concerned.
