District Election Officers

For each district in a State, the Election Commission in consultation with the Government of the State, designates or nominates an officer of that Government as the District Election Officer (DEO). President or Secretary or any authorized office bearer of a recognized political party will authorize district level representative of his party to appoint BLAs.

DELIMITATION

Keeping in view the changing face of electoral India, in a representative democracy where a single member constituency is used for electing a political representative , periodic readjustment of the boundaries of the Assembly and the Parliamentary Constituencies throughout the country is mandated by law and is an important exercise.

The first Delimitation Commission in India was constituted in 1952, the second in 1962 and the third in the year 1973. The fourth Delimitation Commission commenced its work on the basis of 2001 census in July 2004 and completed the exercise by the end of 2007.

In Kerala, the entire exercise was completed in 2005.

After the delimitation process, 7 out of 140 Legislative Assembly constituencies remained without any change except their LAC numbers. They are 001 -Manjeshwar in Kasaragod District, 018 -Sulthanbathery in Wayanad District, 019 -Kalpetta in Wayanad District, 022 -Nadapuram in Kozhikode District, 061 -Chelakkara in Trissur District, 084 -Kunnathunad in Ernakulam District, 090 -Thodupuzha in Idukki District. The boundaries of all the other 133 LACs have been redefined during Delimitation process. The LACs have been renumbered and some have been renamed.

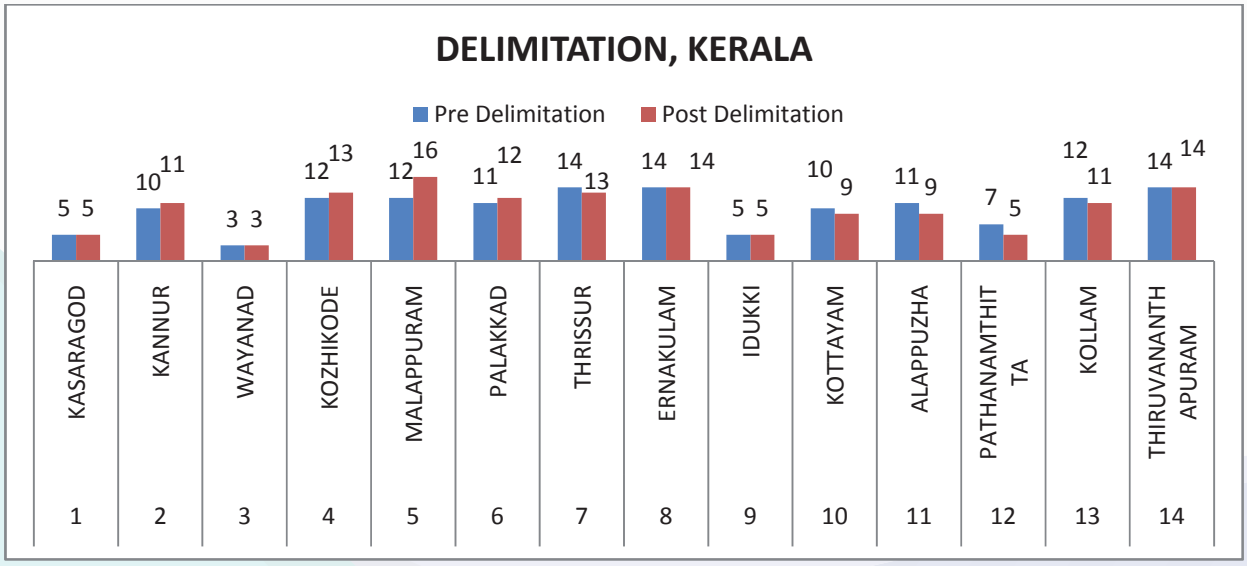

Even though the total number of LACs has remained at 140, the numbers within the district except in the case of Kasaragod, Wayanad, Eranakulam, Idukki and Thiruvananthapuram have changed in the delimitation process. However, the number of seats reserved for SCs increased from 13 to 14 and that of STs from one to two.

ELECTORAL ROLL AND REVISION

The Electoral Roll is prepared and maintained Assembly Constituency wise. Electoral Roll for an Assembly Constituency is subdivided into parts corresponding to the polling booths. The polling booths are set up in such a way that no voter has to travel for more than 2 km to reach the polling booth.

Summary Revision of Electoral Roll is carried out every year with an aim to enroll those citizens, who attain the age of 18 years on 1st of January of the succeeding year, as per Schedule of Revision fixed by the Election Commission of India. The draft Electoral Roll will be published on a specified date for the information of general public. In Kerala, Printed copies of draft Electoral Roll are made available to the public for verification at District Collectorates, Taluk offices and Village offices. In addition, 'Touch Screen' kiosks are also set up at District Collectorates and Taluk offices for verification of Electoral Roll. The soft copy of draft Electoral Roll is also published in the website of Chief Electoral Officer (www.ceo.kerala.gov.in). Printed copies of the Draft Electoral Rolls are given free of cost to all recognized National and State political parties in the State along with soft copies in CDs. Copies of the relevant parts of Draft Electoral Roll will also be available with the Booth Level Officers concerned for verification.

Applications for enrollment, transfer and correction are required to be filed online during Summary Revision process. All applicants will be issued acknowledgement and SMS alerts, specifying the details of BLO in charge of the part. The applications filed online are left as such for 48 hrs for enabling the applicants to edit/ modify the same, if necessary, and will be printed thereafter for field verification. After field verification BLOs submit the verified forms with recommendations to the EROs for processing. After completion of processing of applications, the Final Electoral Roll will be published on a specified date after the 1st of January of the year concerned. Thereafter, PVC EPICs will be distributed to applicants through the BLOs. After the publication of the Final Electoral Roll, continuous updation of Electoral Roll will continue till the commencement of the process for next Summary Revision.

In Kerala, submission of applications for enrollment, transfer, correction etc. in Electoral Roll has been made 100% online with facility for uploading photographs. This facility saves a lot of time and effort on the part of the applicants. Moreover, entries in the ER will be more or less error free as the applicant himself/herself will be making entries through the online facility.

KANNUR DISTRICT

General Details

Kannur district came into existence as an administrative unit on the first of January 1957, when the erstwhile Malabar district and Kasaragod taluk of Madras State were reconstituted into three Revenue districts, namely, Kannur, Kozhikode and Palakkad. The present Kannur district has four taluks, Taliparamba, Kannur, Thalassery and Iritty.

Handloom, Beedi and Coir are the important traditional industries. The famous Brown plantation, Asia's largest plantation of Cinnamon started by the East India Company in 1767 is located in the district. Known as the land of looms and lores because of the handloom industries and the ritualistic folk arts like Theyyam, Kannur is also famous for its pristine beaches. The Naval Academy at Ezhimala, the capital of the ancient Ezhimala kings is the largest in Asia and the third largest in the world.

WAYANAD DISTRICT

General Details

Wayanad District, in the north-east of Kerala set on the majestic Western Ghats with altitudes ranging from 700 to 2100 Metres above mean sea level, was formed on November 1 , 1980 as the 12th district, carved out of Kozhikode and Kannur districts. The etymology of the word Wayanad is Vayal (paddy) Naad (land); 'Land of Paddy Fields'. Comprising an area of 2,132 sq. kilometres, Wayanad has a powerful history. The two caves (Edakkal caves) of Ampukuthimala located between Sulthan Bathery and Ambalavayal, with pre historic / and writings engraved on their rocky walls, speak volumes of the bygone era and civilization.

Wayanad is the least populated district in the State, but it ranks first in Scheduled Tribe population. The district has no railway line or sea coast. It ranks first in pepper cultivation and coffee plantation in the State.
